

Hello Minnows and Tiddlers,

Hope you are all ok and keeping yourselves busy? I thought Misty and I should write and tell you a little of what we have been up to over the last few weeks.

Misty has been working hard searching the outdoors to look for signs of change. He has spotted blossom, baby lambs and bees and butterflies. Have you seen anything more?

It would be lovely if you could keep working hard on learning the types of flowers and birds. In fact, Misty and I found a lovely website online that you could have a look at to help you if have time to look at it.

<https://www.rspb.org.uk/fun-and-learning/for-kids/games-and-activities/>

We would have used some of these ideas in our outdoor learning so feel free to make and create. You can send them to the school home learning email and Misty and I will have a little peep.

Take care Minnows and Tiddlers

Love Mrs Blake and Misty xxxx
