We will also be taking part in a Pentecostal experience at the church.

### **Bicester Healthy Town Project**

Bicester Town has been awarded a government grant to take part in a healthy town project, one of only 10 towns in the country to receive funding. The directors of the project are keen to promote healthy, sustainable lifestyles through community and health and care services participation. Initially, the village schools were not invited to take part, but I felt that this was a great opportunity to celebrate and improve on what we already do and so pushed for Fritwell to be included. Mrs Churchill (PE subject leader), Mrs Lyon (PE governor) and I have attended an initial meeting about the project and have signed up to a couple of initiatives, which you'll receive more details about over the coming weeks. To launch the project there will be an action packed fun day in the centre of Bicester on Saturday, May 13<sup>th</sup> from 10:00am-4:00pm. Flyers are attached to this newsletter to give you more details.
