Dear Parents and Carers,

Update on Staffing

Further to our previous information regarding the staff structure for the next academic year, I am delighted to tell you that there will be three senior lead teachers replacing the position of Deputy Head. These will be Ms Jane Leaver, Mrs Kathryn Churchill, and Mrs Jo Ejiogu. They will all be taking over elements of the Deputy role to ensure that our school continues to thrive and give our children the best experience of primary education.

Class Swop Day

Thursday was an exciting day for all children as they moved up to the "new" class they will be in for the next academic year. There was initially some trepidation felt by a few but, since a lot of the day was spent on the field doing different activities for sports week, everyone soon settled in, made friends with others, and had a successful day.

Sports Week

It has been fantastic to see the great success of this year's sports week. We continue to be passionate about providing children with opportunities to try out alternative sports and healthy activities.

The mobile cave provided a fantastic day for Reception children right up to Year 6.

On Tuesday the Stingrays spent the morning in the outdoor area learning about climate change through lots of hands-on forest school activities. They made diagrams out of natural materials to explain the problem, and clay animals and habitats to understand how it affects the natural world. They also made wind turbines to show one of the sustainable solutions.

The martial arts instructor provided great entertainment, as well as imparting his skills and knowledge about this popular sport.

The team building exercises with the Premier coaches proved both interesting and exciting and taught the children about the importance of teamwork in sport. Everyone thoroughly enjoyed the orienteering exercise.

Friday's yoga sessions proved to be very popular and it was amazing to see how flexible the children were! Even the littlies managed to perform all the yoga moves with ease.

"Child of the Week"

Well done to the following children who have received certificates this week :

Minnows
Sticklebacks
Seahorses
Stingrays
Sharks

Connie L
Chloe D-A and Hugo W
Mya G and Rowan L
No certificates
William L and Blossom Mc

Seahorses Trip to Harcourt Arboretum

The Seahorses class had a wonderful time at Harcourt Arboretum on Tuesday, learning about trees, wildlife and habitats. They hunted for signs of wildlife and created some stunning art from natural objects. The highlights included exploring trees and eating lunch with the peafowl! The children behaved impeccably and learnt so much from the day. Many thanks to our volunteers for assisting us on the trip.

The Seahorses are also very pleased to have received a gift voucher from Blue Diamond Garden Centre to go towards purchasing a garden ornament for their Secret Garden project.

Activities Next Week

Friday 5th July

The winner of the FoFS 100 Club this month is Martin Garrity – well done! There are still numbers available for any anyone interested in joining the club.

Reminder

This is a gentle reminder that, for security and safeguarding reasons, parents and carers must not go into any of the classrooms when collecting children after clubs or ASC.

I look forward to seeing you all this evening!

Kind regards,

Jon Hart
