

## Fritwell Primary School MFL/French LTP 2019/20

Threshold Concepts: 1. Read Fluently 2. Write imaginatively 3. Speak confidently 4. Understand the culture of the country where the language is spoken

It is expected that the children throughout the school are given opportunities to rehearse their speaking of French through songs, games and as a discrete subject. There will be opportunities for us to deliver cultural and specific news items related to France, and other French speaking nations, through our Worship.

	Autumn term	Spring term	Summer term
