Introduction

Starting primary or infant school is an important time for your child and Oxfordshire County Council wants to make sure that this first step is as smooth as possible for you and your child. We would also

like to ensure that your child is offered a place at one of the schools that you prefer. Fortunately we were able to do this for 97% children starting (Reception) in September 2013.

However, we may have more applications than there are places at some schools and we have to have a process that will enable Admission Authorities to decide which children can be offered a place and which children will need to go to other schools. This process must be fair and unbiased and follow the procedures set out on the Oxfordshire website and in this booklet.

Most applications are now made online. Applying in this way offers the benefit of being able to start, save, change and complete your application at any time right up to the closing date of 15 January 2014.

It is a good idea to list three preferences. This does not make it less likely that your child will be offered the school you most want (your first preference) but it does make it less likely that a place will be offered at a school you do not want.

You are able to apply from 12 September 2013 with a deadline for on time applications of 15 January 2014. Those who apply on time will be much more likely to be offered a place for their child at one of the schools they have requested than those who submit late applications. **This means that you need to submit your application (online or on paper) by 15 January 2014.**

You can apply on line at:

Admissions Process

Parents of children born between 1 September 2009 and 31 August 2010 (inclusive) need to apply for a primary school place for their children. The closing date for on time applications is 15 January 2014.

You can apply online at www.oxfordshire.gov.uk/admissions.

This is the main means of application. However, if you are unable to apply online you can apply using the Common Application Form (CAF). A copy of this form is enclosed at the end of this publication.

When applying for a school place you need to use one method only – either online or by using the paper CAF. Please do not apply both online and on paper as this may delay the processing of your application.

You can list up to 3 schools on the online, or paper, CAF. You are asked to list these in order of preference and in order to maximise your chances of obtaining one of your preferred schools **it is very important to apply on time, i.e. by 15 January 2014.**

Admissions to state funded primary schools in England are coordinated across local authority boundaries. This means that if you live in Oxfordshire and want to apply for a place at a school that is in a different local authority you need to apply through Oxfordshire using the CAF. As with applications made for schools within Oxfordshire it is best to **apply online.**

Before deciding which schools to list on the CAF you are advised to visit school open events, read through the information given in "Starting School" and check school websites and prospectuses.

If you find that a school requests the submission of a supplementary form it is important to remember that submitting a supplementary form does not amount to an application – you have to complete the CAF as well – but it is also worth remembering that where schools use these forms it is in your interests to complete and return them.

In England schools use an "Equal Preference System". This was introduced to prevent admission authorities giving a higher priority to parents who make a particular school their first preference. Every school listed on the CAF as a preference is treated as a separate application, each one is equal, and the priority for admission is established using the admission rules for the relevant school. Once this information is available the preferences are then considered by the Local Authority acting as the "clearing house", for example if at this stage it was theoretically possible to offer a place at all three of the schools listed the school offered would be the one listed as the highest preference. **If we cannot offer a place at one of the schools listed as a preference we offer a place at the nearest school with an available place.**

If we are unable to offer your child a place at one of your preferred schools you may place your child on the continued interest (waiting) list for each of the relevant schools and/or appeal for a place through the admission appeal process.

With your offer letter, we will send you a response form. You should complete this form and send it back to the Admissions Team by 7 May 2013.

Admissions Process

If you do not send the response form back by **7 May 2014**, or you reject the offer and do not tell us what other arrangements you are making to educate your child, we may withdraw the place offered and offer it to another applicant in the second allocation round. We will begin the reallocation process on **14 May 2014**.

Please note

It is important to understand the admission rules for a particular school in order to assess the likelihood of being able to obtain a place for your child.

If you are unable to gain a place for your child at one of the schools listed on your child's CAF it will be because there were other children who more effectively met the school's admission rules.

Adding your child's name to a "Continued Interest" List and Changing Preferences

"Continued Interest" lists

Oxfordshire County Council does not hold waiting lists for entry to schools. In Oxfordshire, lists for children who cannot be offered a place at a school but where parents want them to continue to be considered, should a place become available, are called "Continued Interest" (CI) lists. A Continued Interest list is made up of children who have not been and cannot be offered a place at a school. These children are listed in order of the Published Admissions Rules for that school (not in order of how long they have been on the list).

You can add your child's name to the Continued Interest list for a maximum of three schools where your child has already been considered but cannot be offered a place.

You cannot add your child's name to a Continued Interest list for a school at which you have not yet requested a place. In this case this is called a "change of preference" (see below), and the Admissions Authority (AA) will firstly need to consider whether a place can be offered or not. If a place cannot be offered you will then be able to add your child's name to the Continued Interest list for that school subject to the maximum limit of three schools.

The School Standards and Framework Act 1998, the Code of Practice on School Admissions and Oxfordshire County Council's Co-ordinated Admissions Scheme clearly state that the Local Authority (LA) must offer a place at the highest preference listed where it is possible to offer a place according to the Published Admissions Rules. If you add your child's name to the Continued Interest list for a school which could not be offered, you are stating that you want this school more than (and instead of) the school offered if it is possible to make an offer at a later date.

Your child cannot be added to the Continued Interest list of a school which is lower on your list than the school they were offered. However, you can change the order of your preferences (see below), so that a new decision can be made whether a place can be offered at that school. After you have been notified of the decision, if a place could not be offered then it will be possible to add your child's name to the Continued Interest list.

Admissions Process

For example, your child cannot be added to the "Continued Interest" list for a school which you listed as third preference if they have been offered a place at the school which you listed as second preference.

In this example, if you wanted your child to be considered for a place at the school originally requested as third preference, then this preference would need to be moved up your list to become second preference and the place offered at the school originally requested as second preference would need to be moved down your list to become third preference. The new second preference would need to then be considered as a change of preference (see below).

If a place becomes available at a school and your child is at the top of the Continued Interest list for that school, the AA will automatically offer a place at that school where possible. However, late applications and changes of preference will be considered alongside, and not after, the Continued Interest list if any places become available at a school that can be reallocated. It is therefore possible during the late allocation round for a place to be allocated to a late application or change of preference rather than the child at the top of the Continued Interest list, depending on where the applicants fit in with the published admissions criteria for the school in question.

In cases where the child at the top of the Continued Interest list is eligible to be given a place that has become available at a preferred school, the AA will automatically allocate a place at that school.

The place at the school previously offered will be taken away so that it can be offered to another child. Your child cannot simultaneously hold the offer of a place at more than one school.

For example, a child's name has been added to the "Continued Interest" lists for the schools which they wanted as first and second preferences but has been offered a place at the school they listed as third preference. A place becomes available at their first preference school and is offered. The place at their third preference school is taken away and offered to another child. They are also automatically removed from the Continued Interest list for their second preference school because this school is now lower down on their application than the school they have been offered.

Eligibility for free home to school transport is assessed based on the Home to School Transport Policy. If a child was offered free transport to a school they were originally offered and is later offered a place at a school from the Continued Interest list, they will not automatically continue to qualify for free home to school transport to the new school. This will be assessed separately and offered if they qualify for transport under the Home to School Transport Policy.

Changes of Preference

A change of preference is the addition of schools which were not originally requested to the list of preferences, or the re-ordering of schools on the list which were originally requested. A maximum of three new schools can be added to an application at any one time. Changes of preference will be considered by the AA at the next available opportunity.

Admissions Process

A change of preference requested after Offer Day, 16 April, will be considered alongside those who made a late application and those who were originally considered for that school, were unsuccessful in their application for a place and asked for their child's name to be added to the Continued Interest list. These three groups of children form the list of "late applicants".

A change of preference which is made too late to be considered as a "late application" will be determined as soon as possible after the closing date for acceptance of offers made in the "late process".

Once a change of preference has been considered, and notification has been made in writing, it is possible to add your child's name to the Continued Interest list for that school if a place cannot be offered, as long as this will not exceed the limit of a maximum of three continued interest lists.

If a place can be offered at a school which has been added as a change of preference and this school is listed higher on your application than the school offered, the place originally offered will be taken away and offered to another child. It is not possible for a child to hold simultaneously an offer of a place at more than one school.

If a place is offered at a school, the child's name will be automatically removed from the Continued Interest lists for any schools which are lower down on the list than the school which has been offered (see example above).

If a child was offered free transport to a school they were originally offered and is later offered a place at a different school, they will not automatically continue to qualify for free home to school transport to the new school. This will be assessed separately and offered if they qualify for transport under the Home to School Transport Policy.

Admissions Rules

Admission rules for community and voluntary controlled infant and primary schools for 2014/15

In accordance with legal requirements, children who have a Statement of Special Educational Needs that names the school in Part 4 of that Statement will be admitted to that school.

The admission rules for all community and voluntary controlled schools, except Wolvercote Primary School and St Mary's CE Infant (Controlled) School, are shown below in descending order of priority.

- 1 Children who are looked after by a local authority within the meaning of section 22 of the Children Act 1989 at the time of their application and previously looked after children. The term "previously looked after children" refers only to children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 2 Disabled children who need to be admitted to a school on the grounds of physical accessibility. The definition of disability is that contained within the Equalities Act 2010.
- 3 Children who live in the school's designated area. If there are more applicants than places in this category priority will be given in the following descending order:
 - a. First priority in category 4 will go to those children with a brother or sister on roll at the time of application who will still be attending the preferred school at the time of entry. However, if there are more applicants than places in category 4(a) priority will be given, within this group, to those children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.
 - b. Second priority in category 4 will go to those children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System
- 4 Children living outside the designated area who have a brother or sister on roll at the time of application who will still be attending the preferred school at the time of entry. If there are more applicants than places in this category priority will be given within this group to children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.
- 5 Those children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families Geographic Information System.

Admissions Rules

The admission rules for St Mary's Infants' School, a voluntary controlled school, and Wolvercote Primary School, a community school, differ in some respects from the above. The specific admission rules for these two schools are shown below.

Admission rules for Wolvercote Primary School for 2014

In accordance with legal requirements children who have a Statement of Special Educational Needs that names Wolvercote Primary School in Part 4 of that Statement will be admitted to the school.

- 1** Children who are looked after by a local authority within the meaning of section 22 of the Children Act 1989 at the time of their application and previously looked after children. The term "previously looked after children" refers only to children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 2** Disabled children who need to be admitted to Wolvercote Primary School on the grounds of physical accessibility. The definition of disability is that contained within the Equalities Act 2010.
- 3** Children who live in the designated area of Wolvercote Primary School. If there are more applicants than places in this category priority will be given in the following descending order of priority:
 - a.** Those children who will have a brother or sister on roll at the time of application who

still be attending the preferred school at the time of entry. If there are more applicants in this category than places available priority will be given to those living in Lower Wolvercote followed if necessary by the distance tie break set out in 4 c.

- b.** Those children living within the area of Lower Wolvercote.
- c.** Those children who live closest to Wolvercote Primary School using the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.
- 4** Children living outside the designated area of Wolvercote Primary School who have a brother or sister on roll at the time of application and who will still be attending Wolvercote Primary School at the time of entry. If there are more applicants than places in this category priority will be given within this group to children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.
- 5** Those children who live closest to Wolvercote Primary School by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.

Admissions Rules

Admission rules for St Mary's CE Infants' School(Controlled) for 2014

The admission rules for St Mary's CE Infant (Controlled) School are shown below in descending order of priority.

In accordance with legal requirements children who have a Statement of Special Educational Needs that names St Mary's School in Part 4 of that Statement will be admitted to the school.

- 1 Children who are looked after by a local authority within the meaning of section 22 of the Children Act 1989 at the time of their application and previously looked after children. The term "previously looked after children" refers only to children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 2 Disabled children who need to be admitted to St Mary's CE Infant (Controlled) School on the grounds of physical accessibility. The definition of disability is that contained within the Equalities Act 2010.
- 3 Children who live in the school's designated area. If there are more applicants than places in this category priority will be given in the following descending order:
 - a. First priority in category 3 will go to those children with a brother or sister on roll at the time of application who will still be attending St Mary's, or who will be on roll at The Batt CE Aided Primary School, at the time of entry. However, if there are more applicants than places in category 4(a)

priority will be given, within this group, to those children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.

- b. Second priority in category 4 will go to those children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.
- 4 Children living outside the designated area of St Mary's CE Infant (Controlled) School who have a brother or sister on roll at the time of application who will still be attending St Mary's, or who will be on roll at The Batt CE Aided Primary School, at the time of entry. If there are more applicants than places in category 4 priority will be given, within this group, to those children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.
- 5 Those children who live closest to St Mary's CE Infant (Controlled) School by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.

In accordance with legal requirements children who have a Statement of Special Educational Needs that names the school in Part 4 of that Statement will be admitted to that school.

- 5 Children who attend a designated partner infants' school. If there are more applicants in this category than there are available places priority will be given, within this group, to children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.
- 6 Those children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.

*Faringdon Infants' School is the partner infants' school for Faringdon Junior School (academies that have the same admission rules as community and voluntary controlled schools).

*St Nicholas Church of England Infants' School and Nursery Class (Wallingford) is the partner infants' school for Fir Tree Junior School.

Admissions Rules

Measuring distances from home to school

Children who live closest to the school using the shortest designated route as defined on the Directorate for Children, Education and Families' Geographic Information System.

For all schools where the Local Authority (LA) is the Admissions Authority (AA) for the school and any schools where the Admissions Authority (the Governing Body) has a policy to use the LA's measuring system, the route from home to school has been measured using the **"shortest designated route"** since September 2005 *.

The start point of a measurement is the **"seed point"** of the home address. The "seed point" is provided by Ordnance Survey from information compiled from Royal Mail and/or district or city councils. The seed point normally falls within the bounds of a property. The accuracy of seed points is to the nearest ten centimetres. It is possible to move the location of an individual seed point, but this is not necessary for most addresses. It is not possible to verify the individual location of every seed point prior to measuring due to the number of addresses in Oxfordshire and surrounding areas.

From the seed point the route firstly connects to the nearest point of the digitised network namely the road on which the house is situated. The positioning of front doors, driveways and back gates is not relevant to the route or the measurement and they are not programmed to be used by the measuring system.

The digitised network is constructed from road data supplied by Ordnance Survey called the Integrated Transport Network (ITN). The Integrated Transport Network has been

accurately digitised to measure along the centre of roads and takes corners at right angles. This is the same underlying information as used by internet-based mapping solutions (e.g. Google Maps). However, the LA has a more accurate start point than internet-based mapping solutions and the ITN has been augmented by the LA to take into account other available public routes (e.g. alleyways, public footpaths, bridleways, etc). The augmented ITN used by the LA is accurate to at least 1 metre.

All 548,000 kilometres of roads in Great Britain are accurately mapped in a consistent and logical network. The network does not include routes that are not defined as public; these include crossing parks with no paths where the park is not open and available all the time, "short-cuts" across patches of open land without paths, or footpaths across private land which are not defined by Ordnance Survey as public routes.

The end point of the "shortest designated route" is the **nearest open gate** of the school first arrived at from the direction of travel from the seed point that is officially available for use by students for entry and exit to the school site at the start and end of the school day. The location of these gates has been set by the LA. The LA consults with each individual school annually to ensure accurate placement of the gate and its availability for use.

The shortest designated route is established using an algorithm within the bespoke software used by the LA. This software is called RouteFinder and is produced by Higher Mapping Solutions (www.highermappingsolutions.com). This programme integrates with the LA's database (ONE) which is supplied by Capita Children's Services (www.capita-cs.co.uk).

Admissions Rules

RouteFinder measures in kilometres and the measurement is converted into miles accurate to three decimal places, which gives an accuracy up to 1.609344 metres.

The “shortest designated route” is not necessarily a driving route because it may use in whole or in part a non-driveable route (e.g. footpaths). The “shortest designated route” is also not necessarily a walking route for example, where roads are used, the measurement is along the centre of the road not along the edge (pavement or equivalent) of the road.

Other measuring systems may give a different measurement but the LA cannot take a measurement from another measuring system into account because this would constitute maladministration of the admissions process.

For addresses which are outside the digitised network (approximately 6 miles outside Oxfordshire’s county boundary) an internet mapping solution will be used. For addresses in Europe, we use maps.google.co.uk For addresses outside Europe we measure a straight line distance using longitude and latitude. Firstly, we derive a start point (the home address) using itouchmap.com/latlong.html We then measure the straight line distance in statute miles from this start point to the end point (the school gate) using www.nhc.noaa.gov/gccalc.shtml

*** A small number of ‘Own Admission Authority’ schools measure using a straight-line distance from home to school. The LA also calculates these distances for those particular schools.**

Home Address Policy

Home Address

The address on the application **should be the child’s address at the time of application**. This is the address at which the child spends the majority of term-time school nights (Sunday night to Thursday night).

Changes of Address

Changes of address which occur after 15 January 2014 can be taken into account if proof of this change is provided no later than 8 February 2014 (see below). To confirm your new address we need one of the following:

- A solicitor's letter advising contracts have been exchanged (**if the property is being purchased**); or
- A copy of a tenancy agreement (if the property is to be rented). **If this tenancy agreement comes to an end before September 2014 we may not accept the address for admissions purposes; or**
- A copy of your Council Tax Bill **showing the same name(s) as in Section 5 of the CAF.**

We may also ask for proof from HM Revenue & Customs, Child Benefit Division or Tax Credits Division. **Such correspondence must pre-date the application you have made.**

Multiple Addresses

Where children spend time with parents at more than one address then the address given on the form should be the one that they live at (i.e. sleep at) for the majority of term-time school nights (Sunday night to Thursday night). If

Admissions Rules

children spend time equally at different addresses then this should be declared in writing and signed by all parties with parental responsibility. We may ask for proof of the living arrangements (i.e. a court decision) and we may ask for confirmation of an address you have given. If it is accepted by the Local Authority that a child spends time equally at two different addresses (for example, one week with each parent in turn during term-times), the address used for admissions purposes will be the address most favourable (i.e. closest) to the first preference requested.

Fraudulent Applications

If a place has been obtained on the basis of a fraudulent or intentionally misleading application (for example, a false claim to residence in a designated/ catchment area) and this results in the denial of a place to a child with a stronger claim, the admission authority for the school may withdraw the offer of the place. This follows the guidance in paragraphs 2.12 and 2.13 of the School Admissions Code (February 2012) published by the Department for Education:

"[2.12] Where an offer is withdrawn on the basis of misleading information, the application **must** be considered afresh, and a right of appeal offered if an offer is refused.

[2.13] A school **must not** withdraw a place once a child has started at the school, except where that place was fraudulently obtained. In deciding whether to withdraw the place, the length of time that the child had been at the school must be taken into account. For example, it might be considered appropriate to withdraw the place if the child has been at the school for less than one term."

Brothers and Sisters (siblings)

For admissions purposes, a brother or sister is defined as one of the following:

- A brother or sister (both parents the same) living at the same home address;
- or
- A half- brother or half-sister (one parent the same) living at the same home address;
- or
- A step-brother or step-sister (sharing a parent who is married or in a civil partnership) living at the same home address;
- or
- An adopted child who, by reason of the adoption, now shares one or more parents with a child living at the same home address.

Time of Entry

The admission rules give a high priority to those with a brother or sister attending the relevant school at the applicants "time of entry". This means that in the normal admissions round there will be no sibling connection for admission purposes for those applicants for Reception who have a brother or sister in Year 6 at a primary school. Similarly, there will be no sibling connection for admission purposes for those applicants for admission to Reception at an infants' schools who have a brother or sister in Year 2.

Admissions Rules

Twins and Children from Multiple Births

Where the parent has made the same preferences of school and through the normal operation of the admission arrangements the last available place at a school has been allocated to one twin, or child from a multiple birth, the other twin, or the other children from the multiple birth, will normally be offered a place at that school. This means that in these circumstances the Published Admission Number would be exceeded.

Random Allocation

If the distance "tie break" produces an identical result for two or more applicants the Local Authority will use random allocation to determine who will be offered a place.

Admission to an older or younger age group

There is no legal barrier to children being admitted outside their normal year group but it is relatively uncommon.

If a request for early or late admission is received it is for the admission authority for the relevant school to make the decision as to which year group the child will be admitted to and a decision of this kind has to be made on the circumstances of the individual case.

Where, through the agreed procedure, a pupil is transferring school outside the normal year they will be treated equally to other children in the transfer group.

Does your child have a disability as defined in the Equality Act (2010)?

The Act is available online at:
www.legislation.gov.uk/ukpga/2010/15/contents

If you believe that your child has a disability as defined in this Act then you should add the details to section 3 of the Common Application Form.

This information will only affect your child's priority for a school place if your child's disability affects your child's access to school and you are applying for a school that gives a degree of priority to children who fall in this category. Evidence of a child's disability must be submitted in writing by a medical professional before a child can, or will, be considered disabled by the AA for admissions purposes.

The AA will not consider a child to be disabled until this evidence has been received and approved.

Admissions Rules

Late applications

Parents are strongly advised to make sure that applications are submitted by the closing date of 15 January 2014. If an application is received after this date it will be classed as a late application unless there are extenuating reasons that mean we should process it as an on time application. The deadline to submit extenuating reasons is 8 February 2014, beyond which all late applications will be considered as late. Some examples are:

- An administrative error by a maintained school in Oxfordshire is responsible for the application being late.
- An administrative error by the "clearing house", the LA, is responsible for the application being late.
- A sudden illness of a close family member prevents you from submitting the CAF on time.
- The death of a close family member (child's sibling, parent, grandparent) prevents the parent/carer from submitting the CAF on time.

Given that any late application is likely to be less successful in obtaining a place at a preferred school any parent submitting a CAF after the deadline for on time applications is strongly advised to write to the Admissions Team setting out the reasons why the application is late.

The 'What Happens Next?' Leaflet

Everyone who receives an offer of a school for his/her child will be sent a leaflet called 'What Happens Next?' with the letter offering a school place. This leaflet explains how to:

- Accept the place you have been offered
- Place your child's name on one or more continued interest list(s)
- Lodge an appeal.

You are strongly advised to accept the place we have offered your child or to accept a place at another school that has a vacancy. This will ensure that your child will have a school place in September 2014.

Admissions Rules

School Admissions Appeals

Appeals are heard by Appeal Panels who are independent of the AA. Details regarding how the appeals process works, and who organises appeals for particular schools, will be in the leaflet.

Deferred Entry

Parents and carers may want to defer their child's entry to school until after the start of term in September 2014.

The table below shows when children can start the Reception Year, and when they must attend full-time education.

Children born between...	Can Start School...	Must Start School...
1 September 2009 and 31 December 2009	September 2014 (part-time or full-time)*	January 2015 (full-time)
1 January 2010 and 31 March 2010	September 2014 (part-time or full-time)* or January 2015 (part-time or full-time)*	April 2015 (full-time)
1 April 2010 and 31 August 2010	September 2014 (part-time or full-time)* or January 2015 (part-time or full-time)* or April 2015 (part-time or full-time)*	September 2015 (full-time) This is Year 1. However, if he/she does not start school by April 2015 at the latest , his/her place will be taken away and you will need to re-apply in June 2015 for a Year 1 place to start in September 2015.

* Parents/carers can request full- or part-time provision in a school until their child reaches statutory school age.

Over-subscription criteria

After the admission of pupils with statements of Special Educational Needs where Europa School is named on the statement, the criteria will be applied in the order in which they are set out below:

Admission rules

- 1 Children who are looked after or have previously been looked after by a local authority. A child in the care of the local authority or provided with accommodation by the local authority.
- 2 Children who, on the date of admission, will have a sibling at the school. (Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling). Biological siblings who live at separate addresses will also be treated as siblings. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. Proof of the sibling relationship will be required (eg. short birth certificates).

- 3 Children who, on the date of admission, will have a sibling attending the neighbouring European School, Culham, with whom the educational site is shared between 2012 and 2017.
- 4 Children who live closest to the four nodal points set out below. This will be measured using straight-line measurements. Each nodal point has a different weighting, these being: Nodal Point 1 - 50%, Nodal Point 2 - 30%, Nodal Point 3 - 10% and Nodal Point 4 - 10%.

The nodal points:

Node 1: Europa School UK Reception - GPS coordinates: Latitude 51°39'20.44"N / Longitude 1°15'30.79"W

Node 2: Oxfordshire County Council - City Hall (New Road) - GPS coordinates: Latitude 51°45'5.92"N / Longitude 1°15'40.60"W

Node 3: At the Grove Park Drive and Station Road (A338) junction - GPS co-ordinates: Latitude 51°37'3.65"N / Longitude 1°24'35.02"W

Node 4: At the Purley Rise (A329) and Beech Road junction - GPS co-ordinates: Latitude 51°28'51.58"N / Longitude 1° 3'42.14"W

In the case of a tiebreak being necessary within criteria B to D, children of multiple births (twins, triplets etc) will be given priority, then children in receipt of the Pupil Premium and then, if a further tiebreak is necessary, random allocation will be used.

Admission rules

Children with a Statement of Special Educational Need naming St Edmund's School will always be offered places. If there is then greater demand for admission than there are places available, the Governing Body will offer places, up to the published admissions number, in the following category order:

- 1 Baptised Catholic looked after and previously looked after children
- 2 Baptised Catholic siblings of children attending St Edmund's School
- 3 Baptised Catholic children
- 4 Other looked after and previously looked after Children
- 5 Other siblings of children attending St Edmund's School
- 6 Non-baptised children of a baptised Catholic parent
- 7 Children of families of Other Christian Churches

8 Children of families of other faiths**9 Other applicants**

Should there be more applications than places available in any of the categories listed above, priority will be given to children living closest to the school determined by the shortest walking route from the front door of the child's home address (including flats) to the main entrance of the school, as defined using the Oxfordshire County Council's Geographic Information Service. In line with the LEA guidance. In the unlikely event of the distance between two children's homes and the school being the same, random allocation will be used, which will be supervised by the local authority.

Should an application be made for multiple birth children where insufficient places are available in that year group and one of the siblings is the 30th child admitted, the infant class size exception will apply and all siblings will be admitted.

Admission rules

Children with statements of special educational need, naming the school, will always be admitted.

Admission criteria:

The criteria in priority order are as follows:

- 1 Looked after children and children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or a special guardianship order. A looked after child is a child who is in (a) care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.
- 2 Children with a sibling who is in attendance at the school at the time of the application. Sibling refers to brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought, is living at the same address as the sibling.

- 3 Children whose home address is within the recognised catchment area for the school. The recognised catchment area for the school is the Ecclesiastical Parish boundary of Wootton, St. Peter's Church. Part of this area is shared with neighbouring schools. A map showing the catchment area is available in the school office for parents to view.
- 4 Children one of whose parents worships regularly at St. Peter's Church, Wootton (as determined by the conditions set out below*).
- 5 Children one of whose parent worships regularly at any church belonging to 'Churches together in Britain and Ireland' (as determined by the conditions set out below*).
- 6 Other children that do not satisfy any of the above criteria.

Please refer to the LA website or direct to School for the full admission rules.

Admission rules

Children with a Statement of Special Need naming Bishop Loveday CE School will always be offered places. Once places have been offered to these children, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend Bishop Loveday CE Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 Children with a normal home address in the Ecclesiastical Parish of St John the Baptist, Bodicote and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 4 Children with a normal home address in the Ecclesiastical Parish of St John the Baptist, Bodicote.
- 5 Children of staff who have been employed for two or more years or in the case of a skill shortage to fill a vacant post.
- 6 Children with a normal home address outside the Ecclesiastical Parish of St John the Baptist, Bodicote and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 7 A child, whose parent is on the electoral roll at St John the Baptist, Bodicote. This will have to be supported in writing by the Incumbent, using the school's supplementary information form and parents are asked to send the supplementary information form to the school by 8th January 2014 if applying for a place in the Foundation Stage.

Admission rules

After the admission of pupils with statements of Special Educational Needs where the Academy is named on the statement, the criteria will be applied in the order in which they are set out below:

- 1 Looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Such students will be given top priority before the oversubscription criteria is applied.
- 2 Admission of pupils whose siblings currently attend the Academy, from the age of 5 to 18 (11-18 at the partner secondary The Banbury Academy), and who will continue to do so on the date of admission; (for this purpose

"sibling" means a whole, half or stepbrother or - sister resident at the same address).

- 3 Dashwood Banbury Academy will allocate a place in advance for children of UK Armed Forces personnel, if accompanied by an official government letter which declares a relocation date and a Unit postal address or quartering area for considering the application against the oversubscription criteria. The Academy will not refuse a student who is a child of UK Armed Forces personnel based on the fact that they do not currently live in the area.
- 4 Remaining places will be allocated by the distance from the Academy. Pupils closest by drawing a straight line from the main entrance to the Academy will be considered first.

Admission rules

Children with Statements of Educational Need naming St John's will always be admitted.

If the number of applications exceeds the admission number, the governors will give priority to applications in accordance with the criteria listed. A map of the parish boundary is available to view at the school and parish or by post on request.

- 1 Baptised Catholic children who are in the care of a local authority (looked-after children) or provided with accommodation by them.
- 2 Baptised Catholic children living within the Parishes of St John's Banbury and Hethe who have a brother or sister in the school at the time of admission.
- 3 Baptised Catholic children living within the Parishes of St John's Banbury and Hethe.
- 4 Other Baptised Catholic children who have a brother or sister in the school at the time of admission.

- 5 Other Baptised Catholic children.

- 6 Non-Catholic children who are in the care of a local authority (looked-after children) or provided with accommodation by them.

- 7 Non-Catholic children who have a brother or sister in the school at the time of admission.

- 8 Non-Catholic children

If there is over-subscription within the category, the Governors will give priority to children living closest to the school determined by the shortest designated public route as defined on the Directorate for Children, Young People & Families Geographic Information System.

Where fewer places can be offered at the school applied for than there are children from multiple births or living at a single address, the governing body will randomly select the child to be offered the final place by drawing lots.

B

BANBURY PRIMARY SCHOOLS

In those cases where the measurement of the distance 'tie break' produces an identical measurement for two or more applicants when there are too few places to offer all those applicants a place, the governing body will randomly select the child to be offered the final place by drawing lots if all the following circumstances apply:

- The measurement of the distance 'tie break' produces an identical result
- The applicants are not twins living at the same address
- There are insufficient places to enable the Local Authority to offer places to all the affected applicants.

Admission rules

Parents considering St. Joseph's are encouraged to visit the school and to meet the Head Teacher by appointment.

If the number of applications exceeds the standard number, governors will consider applicants according to the following order of priority (see Note 1 below):

- 1 Baptised Catholic children who are in the care of the local authority (looked-after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989)
- 2 Baptised Catholic children (see Note 2 below) living within the Parish of St. Joseph's who have a brother or sister (see Note 3 below) in the school at the time of admission.
- 3 Baptised Catholic children living within the Parish of St Joseph's.

- 4 Baptised Catholic children living outside the Parish of St Joseph's who have a brother or sister in the school at the time of admission.
- 5 Baptised Catholic children living outside the Parish of St Joseph's.
- 6 Non-Catholic children who are in the care of the local authority (looked-after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989)
- 7 Non-Catholic children who have a brother or sister in the school at the time of admission.
- 8 Non-Catholic children.

Note 1

Children with a statement of special educational need that names the school must be admitted. This will reduce the number of places available to applicants.

Admissions Policy

Each year, from 2013/2014 to 2019/2020, the Heyford Park Free School will admit the following number of children:

Reception: 60 children

Year 7: 60 children

Children who enter the Heyford Park Free School at the Reception stage will be doing so under the explicit understanding that the school is "all-through" and that they will not have to reapply to enter Year 7 when this time comes around. Therefore, in the admissions year 2020/2021, there will cease to be a formal entry point at Year 7 as the current Year 6 cohort will transfer directly into the secondary school without the need for reapplication.

Students will be able to transfer out of the school at any point. If a student opts to do this, the Heyford Park Free School will offer places up to the maximum capacity of 60 places per year and subject to the Admissions Code.

The admissions of children below compulsory school age and deferred entry to school

The Heyford Park Free School will provide for the admission of children in the September following their fourth birthday. Please note that:

- Parents can request that the date their child is admitted to school is deferred until later in the academic year or until the term in which the child reaches compulsory school age
- Parents can request that their child takes up the place part-time until the child reaches compulsory school age

Admissions arrangements and over-subscription criteria

- In accordance with legal requirements, children who have a Statement of Special Educational Needs that names The Heyford Park Free School in Part 4 of that Statement will be admitted to the school.

B**Bicester Area****BICESTER PRIMARY SCHOOLS**

If there are more applications than places for the Heyford Park Free School, the oversubscription criteria are shown below in descending order of priority.

- 1** Children who are looked after by a local authority within the meaning of section 22 of the Children Act 1989 at the time of their application and previously looked after children. The term "previously looked after children" refers only to children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 2** Disabled children who need to be admitted to a school on the grounds of physical accessibility. The definition of disability is that contained within the Equalities Act 2010. The required supporting evidence for this criterion will be a Doctor's letter from the child's registered GP.
- 3** Children with siblings (i.e. a whole, half, stepbrother or stepsister resident at the same address) who are already on roll at the school and will still be on roll when the child is admitted.
- 4** Those children whose permanent address is closest to the Heyford Park Free School by the nearest designated public route as defined on the Directorate for Children Education and Families Geographic Information System – utilising the measuring system currently in operation by Oxfordshire County. This system measures the distance from the "seed point" of the house, as identified in Royal Mail's Ordnance Survey, to the nearest open gate of the school. In cases where parents have shared responsibility for a child, meaning those instances where the child spends equal time with each parent, the permanent address of that child will be the address at which the child is registered with their GP.

Tie break policy

Please note, where two or more applicants may otherwise have equal priority, random selection will be used to determine the place allocation. Children's names will be randomly selected from the total list of tied applicants by someone unconnected with the Heyford Park Free School. The first names selected will be offered places.

Waiting lists

The Heyford Park Free School will maintain a clear, fair and objective waiting list for the first term of each academic school year. It must be stated whenever a child is added to the waiting list, all other children on the list will be re-ranked according to the over-subscription criteria.

Priority on the waiting list will not be given in accordance to the time of the application, or the date at which the child was added to the waiting list.

Further, it must be stated that looked after children or previously looked after children, as well as those children allocated to the school via the Fair Access Protocol, will be given a place at the Heyford Park Free School before those on the waiting list.

Also note, places can only be offered subject to The Heyfordian School Trust entering into a funding agreement with the Secretary of State for Education.

Admission rules

Children with a Statement of Special Educational Need naming St Edburg's CE Primary School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend St Edburg's CE Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 Children with a normal home address in the Kingsmere estate and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
Please note that any child on roll at St Edburg's

School prior to the re-location of the school to the new Kingsmere site will be guaranteed a place at the new school, as will their siblings.

- 4 Children with a normal home address in the Kingsmere estate.
- 5 Children with a normal home address outside the Kingsmere estate and with a sibling on the roll of St Edburg's CE Primary School at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 6 A child whose parents wish him or her to attend a Church School.
- 7 Other children.

Proximity of the child's home, as measured by the straight line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 5 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Children with Statements of Education Need naming the school will always be admitted.

In the event of there being an excess of applications over the number of places available, priority will be given to children who satisfy the following criteria:

- 1 'Looked after' children and children who were looked after, but have ceased to be so because they were adopted or, immediately after being looked after, became subject to a residence order or special guardianship order.
- 2 Children who are disabled who do not have statements of SEN who need to be admitted to an accessible school. The definition of disability is that contained within the Disability Discrimination Act as amended.
- 3 a) Children with a normal home address in the Civil Parish of Adderbury or Milton and who already have at least one sibling who attends the school at the time of

application and who is expected still to be in attendance during the term for which admission is sought.

- b) Children with a normal home address in the Civil Parish of Adderbury or Milton who live closest to the school as defined using the County Council Geographic Information System, with those living nearer being accorded the higher priority.
- 4 Children who attend Christopher Rawlins Foundation Stage Unit attached to the school.
- 5 Children whose parents or carers attend in Adderbury or Milton any Christian Church that is a member of Churches Together in Britain and Ireland at least once per month for six months prior to application.

- 1 Looked after children or previously looked after children. (Previously looked after children are those who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order.)
- 2 A child with disabilities or medical needs who does not have a Statement of Special Educational Needs, and who needs to be admitted to an accessible school, or where one or both parents has a disability that may make travel to a school further away more difficult. Applications under this criterion must

Admission rules

Children with a Statement of Special Educational Need naming Wroxton CE (A) Primary School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend Wroxton CE (A) Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 Children with a normal home address within the civil parish of Wroxton and Balscote and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 4 Children with a normal home address within the civil parish of Wroxton and Balscote.
- 5 Children with a normal home address outside the civil parish of Wroxton and Balscote and with or living with, as a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 6 Children who have a parent or a guardian who is a member and regular worshipper at a Christian Church and where the regular worshipper is verified in writing by the minister of that church on the Schools Supplementary Information form. In the event that a parent has moved churches then the aggregate of the two churches will be counted.

Admission rules

If the school is oversubscribed (and the school is informed with supporting evidence), then children with a statement of Special Educational Needs, naming St Peter's CE (VA) Infants School will always be admitted. Thereafter the following criteria will be applied in the order set out.

- 1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order. (Evidence will be required to support this.)
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend this school rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 Children living in our catchment area, predominantly the villages of Alvescot, Black Bourton and Kencot.

- 4 Children with a sibling on the roll of the school at the time of application and who is expected to still to be on roll at the time of entry to the school, preference being given to those children whose siblings, already at the school, are closest to them in age.
- 5 Children of staff, where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or the children of staff who have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Proximity of the child's home to the school is by the nearest designated public route as defined on the home LA's Geographical Information System, with those living nearer being accorded the higher priority. Where the measurement of the distance tie-break produces an identical measurement for two or more applicants, random allocation will be used to determine who will be offered a place if all the following circumstances apply – that they are not

twins/multiple births living at the same address and that there are insufficient places to offer to all the affected applicants.

The process for random allocation is as follows:

Children's names will be numbered in no particular order by the clerk to the governors.

A number will be drawn by a member of the Curriculum & Admissions committee (but not the headteacher) or the Chair of Governors, under the supervision of a member of Alvescot Parochial Church Council or other independent person. The corresponding child will be offered a place.

The independent person will then sign a slip to confirm their own identity, their role, number drawn and date of draw. The list of numbered names, the number drawn and the signed slip will be filed as a record.

A fresh round of random allocation will be used for those on the waiting list if this is required according to the criteria.

- 6 Children with a sibling who was a former pupil who attended the school, and for whom the school has a record as held on the school's management system (SIMs), preference being given to those children whose siblings left the school most recently.
- 7 Children living outside of the catchment area but within the area of the Benefice of Shill Valley with Broadshire. (Please refer to note 4.)
- 8 Other children who have no siblings connected with the school. (Please refer to note 5.) 'Proximity of the child's home to the school'

Admission rules

Children with Statements of Educational Need naming St John's School will always be admitted.

If the number of pupils seeking admissions to the school exceeds the Admission Number of 60 for the year group, then the Governing body will apply the following criteria, listed in order of priority.

- 1 "Looked after" children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 2 Children with a sibling who is in years Reception – Year 6 at the school at the time of application and whose main residence is in the School's geographical catchment area (Shilton Park). This area is defined as Shilton Park and the North East Carterton development area. The area is clearly geographically defined on the outskirts of Carterton as an area of new housing and development.
- 3 All other children whose main residence is in the School's geographical catchment area (Shilton Park).
- 4 Children whose main residence is not in the School's geographical catchment area but at least one of whose parents/guardians is a committed member of the Church of St John the Evangelist, Carterton or St Britius Church, Brize Norton. Confirmation of membership will be required from the Rector or Vicar at, The Rectory, 6 Burford Road, Carterton, OX18 3AA. Phone number 01993 846996, email rector@theblakeys.co.uk. Please complete the special form available in School and pass it to the clergy for written confirmation of your claim. You must do this at least 7 days before the deadline for the return of applications and it must be returned direct to the school.

Admission rules

If more children apply than there are places available, then children with a Statement of Special Needs, naming Great Rollright CE School, have the highest priority. The following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order.
- 2 A child with a normal home address in the Parish of Rollright.
- 3 A child with a normal home address outside the Parish of Rollright and with a sibling already in attendance at Great Rollright Church of England School at the time of application and who is expected still to be in attendance at the time of entry.
- 4 Children with exceptional medical needs, supported by written evidence, normally given by a registered health professional such as a doctor or social worker or other appropriate person. The application would be assessed

objectively by the Admissions Panel; this panel would take into consideration the particular reasons why the school is the most suitable one, and the difficulties that would be caused if the child had to attend another school.

- 5 Children with exceptional social needs, supported by a letter from a registered health professional such as a doctor or social worker) and how it is assessed objectively, this letter should set out the particular reasons why the school is the most suitable one and the difficulties that would be caused if the child had to attend another school. (see also note 3).

Admission rules

Any child with a statement of special educational needs naming St Mary's C of E (Aided) Primary School will always be admitted.

- 1 Looked After children or children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend St Mary's School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 A child with a normal home address in the catchment area and with a sibling already on roll at St Mary's C of E (Aided) Primary School at the time of application.
- 4 A child with a normal home address in the catchment area of St Mary's C of E (Aided) Primary School at the time of application.

- 5 A child with a normal home address outside the catchment area and with a sibling already on roll at St Mary's C of E (Aided) Primary School at the time of application.
- 6 A child with a normal home address outside the catchment area of St Mary's C of E (Aided) Primary School at the time of application.

Proximity of the child's home to school as the nearest designated public route as defined on the Directorate for Children, Education and Families Geographic Information System, with those living nearer being accorded the higher priority, will also serve to differentiate between pupils in criteria 1 to 6 if the need arises.

Over-subscription criteria

Children with a Statement of Special Educational Need naming Appleton C.E. (A) Primary School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order. (See Note 2).
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend Appleton C.E. (A) Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. (See Note 3).
- 3 Children with a normal home address (See Note 4) in the Ecclesiastical Parishes of St. Laurence's (Appleton with Eaton), St Nicholas's (Fyfield, Netherton, Tubney) and St Lawrence's (Besselsleigh) and with a sibling (see Note 5) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 4 Children with a normal home address in Ecclesiastical Parishes listed above.
- 5 Children with a normal home address outside the Ecclesiastical Parishes and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

6 Preference for a Church/Faith School supported by written evidence from a priest/minister that a parent has been a regular worshipper at a church ascribing to the doctrine of the Trinity for the year preceding the date of the application (at least six times a year – See Note 6). Where parents have not lived in their present area long enough to satisfy these attendance requirements at a particular church, the school is prepared to take into account aggregate attendance at the previous church and the new church with two Supplementary Information Forms being completed.

7 Children of staff at the school in the following circumstances:

- a)** Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
- b)** The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

8 Other children.

Proximity of the child's home, as measured by the most direct route (see Note 7) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria i to viii should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. Applications would be placed in a box and selected by the Clerk to the governors in the presence of at least two other governors.

Admission rules

Children with Statement of Special Educational Need, naming All Saints' School in part four of the statement, will always be admitted. After children with identifiable Special Needs, should there be more applications than there are places available, the Governors will admit pupils according to the criteria and in the order of priority listed below:

- 1 Looked after Children and children who were looked after, but ceased to be so because they were adopted or, immediately after being looked after, became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend All Saints School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.

- 3 Children living in the catchment area with a sibling attending All Saints School at the time of application who is expected still to be in attendance at the time of entry with priority given to attendees at church.
- 4 Other children living in the catchment area with priority given to attendees at church.
- 5 Other children living outside the catchment area with priority given to those who have a sibling at All Saints School at the time of application who is expected still to be in attendance at the time of entry, and then to those who attend church.

If a parent is seeking for priority to be given to their child under criteria 3, 4 or 5 because of church attendance they are required to support their application with a supplementary form. This is available from the school and must be completed and returned to the school.

DIDCOT PRIMARY SCHOOLS

When deciding between applicants who ostensibly have equal rights under criteria 1 to 5 above, the Governors will have regard to the proximity of the applicants homes to the school and priority will be given to the applicants on the nearest designated public route as defined by the Local Authority's Geographic Information System.

In the event that there is one place and two or more identical distance measurements, a process of random allocation will be carried out in the presence of someone independent of the school.

Children with a Statement of Special Educational Need naming Northbourne School will always be offered places. If there is then greater demand for admissions that there are places available, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend Northbourne School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 Children with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the

school and who is expected still to be in attendance at the time of entry to the school.

- 4 Children where at least one parent is a regular worshipper at a church which is a member of Churches Together in Britain and Ireland (*If using this as a criteria for consideration, parents should also complete the Supplementary Admissions Form included at the end of this policy; please note this does not need to be completed where either criteria 1 or 2 are met*).
- 5 Children whose normal home address is in the designated area of the whole of Didcot.

Proximity of the child's home, as measured by the straight line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 5 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. Admission rules

In the event of there being a greater demand for admission than there are places available, then children with a Statement of Special Needs naming St Peter's CE (VA) Primary School will always be admitted. Once places have been offered to these children, the following criteria will be applied in the order set out below:

- 1 Looked after children whether living in the catchment area or not, and children who were looked after, but have ceased to be so because they were adopted or became subject to residence order or special guardianship order.
- 2 Children (or parent) with exceptional medical or social needs that make it essential that they attend St Peter's Primary rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 Children with a normal home address in the Parish of Cassington and Worton and with a sibling already in attendance at St Peter's CE (VA) Primary School at the time of application and who is expected still to be in attendance at the time of entry to the school. (A map is available from the school office).
- 4 Children with a normal home address in the Parish of Cassington and Worton.
- 5 Children with a normal home address outside the Parish of Cassington and Worton and with a sibling already in attendance at St Peter's CE (VA) Primary School at the time of application and who is expected still to be in attendance at the time of entry to the school.
- 6 Children who have a sibling who has attended St Peter's CE (VA) Primary School in the past 5 years.
- 7 Children who have attended St Peter's Foundation Unit (Cassington Playgroup) for 12 calendar months previous to September 2014.
- 8 Children whose parents have a denominational preference for a Church of England School and a parent is a regular worshipper (twice a month over a period of 2 years prior to the application) at St Peter's, Cassington or St Leonards, Eynsham. (See

E

EYNSHAM PRIMARY SCHOOLS

note 6) Please complete the supplementary form as part of your application. This form is available from the school office and should be returned to the school office on application.

- 9** Children whose parents have a preference for a Church of England School and a parent is a regular worshipper (twice a month over a period of 2 years prior to the application) at any other Christian church that is a member of Churches Together in Britain and Ireland (see also note 6). If the worship has been at more than one church then additional supplementary forms should be completed. Please complete the supplementary form as part of your application. This form is available from the school office and should be returned to the school office on application.

10 Other children

In the event of over-subscription in any of the criteria above proximity of the child's home to the school, as measured by the shortest safe walking route, with those living nearer being accorded the higher priority, will be used to determine which children should be offered places. If the distance is identical then a random allocation in the presence of an independent person will take place. To determine distances the local authority GIS (geographical information system) will be used.

Siblings from multiple births will be offered a place where one of the siblings is the 15th child to be admitted.

Over Subscription Criteria

Children with a Statement of Special Educational Need naming Ashbury School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 Looked after children and children who were looked after, but ceased to be because they were adopted or immediately being looked after became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend Ashbury School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 Those children who have a sibling on roll at the time of the application (or for whom an offer of a place at the school has been accepted) who is expected to still be in attendance at the time of entry to the school.

- 4 Children with a normal home address in the traditional catchment area i.e. the ecclesiastical parishes of Ashbury and Compton Beauchamp or resident in the villages of Upper Lambourn, Lambourn and the Lambourn area. A map of the traditional catchment area is available to view in the school office.

- 5 Children who have attended Ashbury Pre-school.

- 6 All other children.

If there are more applicants than places available for any one category, priority will be given within each category to those children whose normal home address is closest to the school using the nearest designated public route as defined on the Children Young People & Families Directorate System. If two children have identical distance measurements there will be a random allocation in the presence of an independent person. In cases where there is one place available and the next child in line is from a multiple birth, all children from the multiple birth would be offered a place.

Admission rules

A child with a Statement of Special Educational Needs naming Shellingford CE (A) Primary School will always be admitted.

If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were looked after, but have ceased to be looked after because they were adopted or because, immediately after being looked after, they became subject to a residence order or special guardianship order whether or not they live in the catchment area (the Ecclesiastical Parish of St Faith's, Shellingford).
- 2 A child with a normal home address in the Ecclesiastical Parish of St Faith's Shellingford and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school (A map is available from the School Office – copies of which can be posted on request).
- 3 A child with a normal home address in the Ecclesiastical Parish of St Faith's Shellingford, who has previously had a sibling attend Shellingford School.
- 4 A child with a normal home address in the Ecclesiastical Parish of St Faith's, Shellingford.
- 5 A child with a normal home address outside the Ecclesiastical Parish of St Faith's and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 6 A child with a normal address outside the Ecclesiastical Parish of St Faith's Shellingford, who has previously had a sibling attend Shellingford School.
- 7 A child whose parent /parents have a denominational preference for a Church of England School, supported by evidence that a parent has been for the year preceding the date of the application a regular and current worshipper (at least once a month) at St Faith's, Shellingford.

- 8** A child whose parent / parents have a denominational preference for a Church of England School, supported by evidence that a parent has been for the year preceding the date of the application a regular worshipper (at least once a month) at another Christian Church which is a member of the Churches Together in Britain and Ireland.
- 9** A child with exceptional medical needs, supported by written evidence, normally given by an independent medical officer or other appropriate person.
- 10** A child with exceptional social needs, supported by written evidence, normally given by a social worker, Educational Welfare Officer or other appropriate person.

11 Any other child.

In the event that the number of children in any of the above categories exceeds the number of available places, the distance from the child's home to school will be the differentiating factor with those living nearer being accorded the higher priority. The distance will be measured using the Oxfordshire system as described in its booklet "Starting School".

The school employs a process of random allocation, in the event of two children having identical distances from their normal home address to Shellingford School. This process will be administered by the LA.

- 3 Baptised Catholic children living within the Parish of Sacred Heart, Birmingham Archdiocese.
- 4 Other Baptised Catholic children who have a brother or sister in the school at the time of admission.

- 5 Other Baptised Catholic children.

- 6 Non-Catholic children who are in the care of a local authority (children in care) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

- 7 Non-Catholic children who have a brother or sister in the school at the time of admission.

- 8 Non-Catholic children.

If there is over-subscription within the category, the Governors will give priority to children living closest to the school determined by the shortest designated public route as defined on the Directorate for Children, Young People & Families Geographic Information System.

In a very small number of cases it may not be able to decide between the applicants of those pupils who are qualifiers for a place, when applying the published admission criteria.

Henley-on-Thames Area

H

HENLEY-ON-THAMES PRIMARY SCHOOLS

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the legal limit to be exceeded, the

Governing Body will randomly select the child to be offered the final place by drawing lots. As an exception, the governing body will give careful consideration to offering places above the Admission Number to applications from children whose twin or sibling from a multiple birth is admitted even when there are no other vacant places.

6 Other children.

Proximity of the child's home, as measured by the straight line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Children with a Statement of Special Educational Need will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1** Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order.
- 2** Children (or a parent) who have exceptional medical or social needs that make it essential that they attend John Henry Newman Academy rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3** Children with a normal home address in Littlemore and Sandford -on -Thames and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

- 4** Children with a normal home address in Littlemore and Sandford -on -Thames

- 6** Other children.

Proximity of the child's home, as measured by the straight line distance between the home and the Academy with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school. The straight line distance used to determine proximity of the home to the school will be measured by Oxfordshire County Council's Geographical Information System.

Over-Subscription

If there is over-subscription within the category, the Governors will give priority to children living closest to the school determined by the shortest designated public route as defined on the Directorate for Children, Young People & Families Geographic Information System.

Where fewer places can be offered at the school applied for than there are children from multiple births or living at a single address, the governing body will randomly select the child to be offered the final place by drawing lots. As an exception, the governing body will give careful consideration to offering places above the Admission Number to applications from children whose twin or sibling from a multiple birth is admitted even when there are no other vacant places.

In those cases where the measurement of the distance 'tie break' produces an identical measurement for two or more applicants when there are too few places to offer all those applicants a place, the governing body will randomly select the child to be offered the final place by drawing lots if all the following circumstances apply:

- The measurement of the distance 'tie break' produces an identical result
- The applicants are not twins living at the same address
- There are insufficient places to enable the Local Authority to offer places to all the affected applicants.

Admission rules

Children with Statement of Special Educational Need, naming St Gregory the Great School in part four of the statement, will always be admitted. Should there be more applications than there are places available, the Governors will admit pupils according to the criteria and in the order of priority listed below:

- 1 Baptised Catholic children who are in the care of a Local Authority (looked-after children) or provided with accommodation by them; and children who were previously looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 2 Baptised Catholic children

3. Non-Catholic children who are in the care of a Local Authority (looked-after children) or provided with accommodation by them; and children who were previously looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

4. Non-Catholic children.

If there is over-subscription within an admission category, the Board of Directors will give priority to children living closest to the school determined by the shortest designated public route as defined on the Directorate for Children, Young People & Families Geographic Information System.

Children with a Statement of Special Need naming Kidmore End School will always be admitted.

- 1 'Looked-after' children and children who were looked after, but have ceased to be so because they were adopted or became subject to a residence order or special guardianship order, whether living in the catchment area or not.
- 2 Children who have a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the proposed point of entry.
- 3 Children with a normal address within the agreed catchment area – the civil parishes of Kidmore End and Mapledurham. Parents may be asked to provide proof of address eg. recent utility bill when they complete their application.
- 4 Children with a Church attending parent worshipping at St John the Baptist in Kidmore

End, Christ the King in Sonning Common or St Margaret's in Mapledurham attending at least once a month for at least 12 months prior to the application. This will need to be supported by evidence to be signed by a Church Minister.

- 5 Children with a Church attending parent living in the Chiltern Edge School catchment area, who attends Church at least once a month for at least 12 months prior to the application and who wishes the child to receive an education at a Church school.
- 6 Children with a Church attending parent who attends Church at least once a month for at least 12 months prior to the application and who wishes the child to receive an education in a Church school.
- 7 Children with exceptional medical needs supported by written evidence by their medical officer. This evidence must state why Kidmore End School is the most suitable school and the difficulties that would be caused by having to travel to another school.

Admission rules

Children with Statements of Educational Need naming St Joseph's School will always be admitted.

If the number of applications exceeds the admission number, the Directors will give priority to applications in accordance with the criteria listed. A map of the parish boundary is available to view at the school and parish or by post on request.

1. Baptised Catholic children who are in the care of a local authority (looked-after children) or provided with accommodation by them; and children who were previously looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
2. Baptised Catholic children living within the Parish of St Joseph's, Thame who have a brother or sister in the school at the time of admission.

7. Non-Catholic children who have a brother or sister in the school at the time of admission.

8. Non-Catholic children

Over-Subscription

If there is over-subscription within the category, the Directors will give priority to children living closest to the school determined by the shortest designated public route as defined on the Directorate for Children, Education & Families Geographic Information System.

T

Thame Area

THAME PRIMARY SCHOOLS

Where fewer places can be offered at the school applied for than there are children from multiple births or living at a single address, the Directors will randomly select the child to be offered the final place by drawing lots. As an exception, the Directors will give careful consideration to offering places above the Admission Number to applications from children whose twin or sibling from a multiple birth is admitted even when there are no other vacant places.

In those cases where the measurement of the distance 'tie break' produces an identical measurement for two or more applicants when there are too few places to offer all those

applicants a place, the Directors will randomly select the child to be offered the final place by drawing lots if all the following circumstances apply:

- The measurement of the distance 'tie break' produces an identical result
- The applicants are not twins living at the same address
- There are insufficient places to enable the Local Authority to offer places to all the affected applicants.

Admissions rules

Children with a Statement of Special Needs naming St. Laurence C.E. (VA) Primary School have the highest priority and will always be admitted.

- 1 "Looked-after children" and children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order.
- 2 Children with a normal home address in the Ecclesiastical Parish of Warborough. If there are more applicants than places in this category priority will be given in the following descending order:
 - a) First priority in category 2 will go to those children with a sibling on roll at the time of application who is expected still to be attending St. Laurence C.E. (VA) Primary School at the time of entry.

- b) Second priority in category 2 will go to those children who live closest to the school by the nearest designated public route as defined on the Directorate for Children, Education & Families' Geographic Information System.

If definition of the Ecclesiastical Parish is required, a copy of the relevant map can be found in an annexe to this policy.

- 3 Children with a normal home address outside the Ecclesiastical Parish of St. Laurence C. E. (VA) Primary School and with a sibling on roll at the time of application who is expected still to be attending St. Laurence C.E. (VA) Primary School at the time of entry to the school
- 4 Children whose parents express a denominational preference for a Church of England School, supported by evidence that at least one parent has been for the last year a regular worshipper (twice a month on average for the 12 months prior to the application).

WALLINGFORD PRIMARY SCHOOLS

If there are more applicants than places in this category priority will be given in the following descending order:

- a) Children with a parent who worships regularly at St Laurence Church, Warborough
 - b) Children with a parent who worships regularly at one of the named Benefice churches in the parishes of Newington and Stadhampton with Chiselhampton, served by the Team Vicar of St Laurence Church, Warborough
 - c) Children with a parent who worships regularly at any other Christian Church that is a member of Churches Together in Britain
- 5** Disabled children who need to be admitted to a school on the grounds of physical accessibility. The definition of disability is that contained within the Disability Discrimination Act 1995 as amended.
- 6** Children of staff in either or both of the following circumstances:
- a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
 - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- 7** Other children
- If there are more applicants than places in category 7, priority will be given to those children who live closest to the school as defined on the Directorate for Children, Education & Families' Geographic Information System.

Admission Rules

Children with a statement of special educational needs which names the school will be admitted to the school and will count towards the published number.

The Governing body will admit children in the following order of priority:

- 1** Looked after baptised Catholic children
- 2** Baptised Catholic children within the 3 Parish areas served by the school of St Mary's East Hendred, English Martyrs Didcot, and St John Vianney Wantage as defined by the Portsmouth Diocese
 - i) Siblings of those already in the school at the time of admission
 - ii) Other baptised Catholic children from the parish communities
- 3** Baptised Catholic children from outside the 3 Parish communities with siblings at the School.
- 4** Baptised Catholic children from outside the 3 Parish communities served by the School.

- 5** Other looked after children
- 6** Other siblings
- 7** Members of other Christian churches
- 8** Members of other Faiths
- 9** Other applicants

Should the number of applications exceed places available in any of the above categories, priority will be given as follows:

- a) Where it is necessary to differentiate between baptised Catholic children from the 3 Parish areas of St Mary's East Hendred, English Martyrs Didcot, and St John Vianney Wantage, preference will be given to those children who live the shortest walking distance to their parish church.
- b) Where it is necessary to differentiate between baptised Catholic children from outside the parish areas, preference will be given to those from a parish without a Catholic primary school
- c) For all other applications, preference will be given to the child living the shortest distance from the school.

Admission rules

Children with a Statement of Special Educational Need, naming Ewelme School, will always be admitted to the school.

In the event of there being a greater demand for admission than there are available places, the Admissions Committee of the Governing body will award places in accordance with the following criteria:

- 1 A looked after child or a child who was previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend Ewelme School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 A child who lives within the boundaries of Ewelme who has a sibling on the roll of the

School at the time of application and who is expected to be on the roll of the School at the time that he/she actually starts school [The boundaries of Ewelme were defined by the Governors in February 2007 and are available for inspection in the school office; on the school web site and the LA web site. A copy may also be obtained by post or email on request]. Preference will be given to those children whose brothers and sisters already at school are closest to them in age.

- 4 A child who lives within the boundaries of Ewelme [The boundaries of Ewelme – See 3) above]
- 5 A child living outside the boundaries of Ewelme who has a sibling on the roll of the School at the time of application and who is expected to be on the roll of the School at the time that he/she actually starts school – preference being given to those children whose brothers and sisters already at school are closest to them in age. - 6** A child who lives within the parishes of Brightwell Baldwin or Cuxham with Easington and one of whose parents is an active member of Ewelme, Brightwell Baldwin or Cuxham with Easington Church or any other Christian Church which is a member of Churches Together in Britain and Ireland or the Evangelical Alliance or another Christian Church ascribing to the doctrine of the Trinity and wishes them to receive a Church of England education. 'Active' is defined as having attended Church on a regular basis (at least once a month) in the twelve months prior to the date of this application. Your application must be supported by a completed Supplementary Information Form (available from school or online from the LA) and signed, as indicated, by the Priest in Charge.

Attendance at any previous church taken together with that at any present one will be taken into account where necessary to prove the length of regular attendance. It would then be necessary to provide two (or more) SIFs – one from each church attended. (The supplementary form/s should be returned directly to Ewelme School no later than 15 January 2014)

- 7** A child who lives outside the parishes united with Ewelme and one of whose parents is an active member of Ewelme, Brightwell Baldwin or Cuxham with Easington Church or any other Christian Church which is a member of Churches Together in Britain and Ireland or the Evangelical Alliance or another Christian

Church ascribing to the doctrine of the Trinity and wishes them to receive a Church of England education. 'Active' is defined as having attended Church on a regular basis (at least once a month) in the twelve months prior to the date of this application. Your application must be supported by a completed Supplementary Information sheet (available from school) and signed, as indicated, by the local clergyman. Attendance at any previous church taken together with that at any present one will be taken into account where necessary to prove the length of regular attendance. It would then be necessary to provide two (or more) SIFs – one from each church attended. (The supplementary form/s should be returned directly to Ewelme School no later than 15 January 2014)

8 Other children.

In the event of over-subscription in any criterion, places will be allocated to those living nearest to the school. This is calculated by reference to the nearest designated public route as defined by the Directorate for Children, Education and Families' Geographic Information System. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school nominated by the School Admissions team of the Local Authority.

Admission Rules

Children with a Statement of Special Educational Need naming Little Milton School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend Little Milton School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 Children with a normal home address in the Parish of Little Milton (a map is available in the school office), and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place

at the school and who is expected still to be in attendance at the time of entry to the school.

- 4 Children with a normal home address in the Parish of Little Milton.
- 5 Children with a normal home address outside the Parish of Little Milton and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 6 Other children.

Proximity of the child's home, as measured by the straight line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. The straight line distance used to determine proximity of the home to the school will be measured by Oxfordshire County Council's Geographical Information System. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Proximity of the child's home, as measured by the shortest distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Geographic system will serve to differentiate between pupils in criteria 2-8 should the need arise. When measuring distance we define the two determining points as being the front door of to the home or building and the school gate in School Lane.

In the unlikely event of a case where the measurement of distance 'tiebreak' produces an identical measurement for two or more

applicants, and if the school cannot offer a place to all of these children, the available place will be allocated by a random draw in the presence of a person independent of the school. In order to ensure that no child is disadvantaged because of the date when they are added to the waiting list, a fresh round of random allocation will be applied each time it is necessary to decide which child is to be offered a place from the waiting list.

Admission rules

Children with Statements of Educational Need naming the school, will always be admitted. After this, places at the school are allocated according to the following criteria in this order:

- 1 Looked After children living within or without the school catchment area or children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a residence order or special guardianship order.
- 2 Children (or a parent) who have exceptional medical or social needs that make it essential that they attend Wootton-By-Woodstock school rather than any other. Supporting evidence must be included from an independent professional person who is aware of the situation and supports your reasons for preferring Wootton-By-Woodstock School.
- 3 Children from within the School's catchment area. Catchment map available from school.
- 4 Children with a sibling in attendance at the school at the time of application and who is expected still to be in attendance at the School at the time of the proposed admission.
- 5 Children of staff at the school under the following circumstances:
 - a) Where the member of staff has been employed for two or more years at the time the application for admission is made
 - b) Where the member of staff is recruited to fill a vacant post for which there is a demonstrable skills shortage
- 6 Children from villages without primary schools.
- 7 Other children who do not meet any of the above criteria.

In the event of more applicants than places available within any individual criteria, the decision will be made according to distance from the home address to the school by the nearest designated public route as defined on the Directorate for Children, Education and Families Geographic Information System.

Home to School Travel Policy for 2014/15

The County Council is keen to encourage young people to walk or cycle to school or college or to make use of public transport, but it also provides free transport and some assisted transport as set out in the Home to School Transport Policy.

The Home to School Transport Policy applies to young people who live in the County of Oxfordshire. Those who are not resident in Oxfordshire are advised to contact their own home local authority for details of any policy that their home authority may have regarding home to school/college transport.

When, under the Home to School Transport Policy, children and young people are entitled to free transport it is provided by the most cost effective means. This will usually be by the provision of a free bus pass. However, where numbers are small children sometimes have to be transported by taxi. Where parents wish to take their children to school and it is therefore possible to avoid the provision of a taxi the Local Authority may agree to the payment of a mileage allowance.

The mileage allowance is provided for the child's journey to school and the return to the child's home. Parents are not provided with a mileage allowance for their own return to home in the morning or their journey to the school in the afternoon, i.e. the LA pays a mileage allowance for two journeys per day rather than four. The mileage allowance is the Revenue and Customs All Car Rate (currently 40p). If through a change

in circumstance¹ the payment of the mileage allowance proves no longer to be the cheapest way of transporting the child to school the alternative means of travel will be offered and the parent will be given up to 6 weeks to consider the new arrangement. At the end of that period or when the alternative means of transport is taken up, whichever is the sooner, the mileage allowance will be withdrawn.

Where free or concessionary travel has been agreed it is provided for attendance at the beginning and end of the school day and not for extracurricular activities.

The Admissions Team decides whether a child is entitled to free transport because these decisions relate to the school attended. If the Admissions Team decide that free transport should be provided, and the parent concerned decides to accept the offer of free transport, the School & Social Care Transport Team makes the necessary arrangements, for example the issue of a bus pass.

Any information regarding Oxfordshire's Home to School Transport Policy obtained from any source other than the Admissions Team of Oxfordshire County Council or the Oxfordshire public website should be disregarded.

Buses and coaches used for home to school transport are public service vehicles and are subject to specific safety legislation. This is enforced by an initial inspection and certification of the vehicle followed by subsequent annual checks. Vehicles are also subject to random roadside checks undertaken by the 'Vehicle and

¹ For example if a taxi contract is awarded to transport another nearby child to the same school and there is a spare seat in the vehicle.

Operator Service Agency' (VOSA). VOSA are able to prohibit any vehicle that is non-compliant, i.e. is in a dangerous condition, not roadworthy and/or the driver's hours are irregular. Any Service Provider using sub-standard vehicles may lose their operator's licence.

Statutory Walking Distance

In understanding home to school transport and what can and cannot be provided free of charge it is important to understand what is referred to as "the statutory walking distance". This is 2 miles for children who are under 8 years of age, and 3 miles for those of statutory school age who are 8 and over. It is measured along the shortest route along which a child, accompanied by a responsible adult, may walk with reasonable safety. The route may include footpaths, bridleways, and other pathways, as well as recognised roads. All such routes need to be open to the public. When there are issues raised over the possible safety of a walking route the Admissions Team will arrange for an initial assessment by the Integrated Transport Unit and if necessary a full risk assessment by Road Safety.

Walking routes

The status of routes (and hence eligibility to free home to school transport) may change either in response to the issuing of revised guidance or material changes to routes (through, for instance, the installation of a controlled crossing or widening a footpath).

When a route assessment is required the Admissions Team commission a route assessment from the Road Safety Team. When assessing a route the Road Safety Officer applies

the relevant guidance set out in the Road Safety GB publication "Assessment of Walked Routes to School".

Distance Measurement for Free Transport for Children of Low Income Families

The 2 mile limit is measured in the same way as the "statutory walking distance". However, the 6 mile and 15 mile upper limits are not walking routes. They are measured along routes that are passable using a road route suitable for motorised vehicles.

Home

A child's home is considered to be the child's main place of residence during the normal school week. Free transport can only be provided from that one address.

Travel to a Friends Home

No seat can be provided on an ad hoc basis to children wishing to travel to the homes of children who are entitled to free transport.

Escorts

Escorts are normally only provided when it has been established through the assessment or review process that a child with a Statement of Special Educational Needs has a specific need to be accompanied.

Escorts will not normally be provided in any other circumstances.

Parents accompanying children in OCC transport

Parents will not normally be able to travel in OCC provided transport.

Travel

Assessment of Eligibility for Free Transport on Admission to Primary or Secondary School

An assessment of eligibility for free transport is made as part of the normal admissions process for entry to school. Parents are normally notified of the decision in the letter offering a school place.

If a child ceases to be eligible during the course of the school term, for example due to moving address, the provision should cease at the end of that term.

Free transport for those of school age (Reception to Year 11)

Children within the following categories are eligible for free transport:

1. Children attending the designated (catchment) school for their address if the distance from home to school is over the "statutory walking distance" of 3 miles if 8 or over or 2 miles if less than 8 and of statutory school age. This applies whether or not the school was listed on the Common Application Form (CAF).
2. Children attending the nearest available school or educational placement to their address, if the distance from home to school is over the "statutory walking distance" of 3 miles if aged 8 or over or 2 miles if less than aged 8 and of school age. This applies whether or not the school was listed on the Common Application Form (CAF).
3. Children who are aged 8 or over and are under 11 years old who are eligible for Free School Meals or whose parents are in receipt of the maximum level of Working Tax Credit and attend the nearest school if it is over 2 miles from their home.
4. Children aged 11 to 16 who are eligible for Free School Meals or whose parents are in receipt of the maximum level of Working Tax Credit and who attend one of their three nearest suitable schools (or places other than school at which they might receive education under section 19(1) of the Education Act 1996), where they live more than two but not more than 6 miles from that school. The 2 mile distance is measured by "walking route" and the 6 mile distance is measured by road route.
5. Children attending the nearest available school to their address even if it is less than the statutory walking distance, if it would not be safe for a child accompanied by an adult to walk from the home to the school. This applies whether or not the school was listed on the CAF. **If the route is subsequently determined to be safe the free transport will be withdrawn.** The parent will be given up to 6 weeks to consider the new arrangement. At the end of that period, or when the alternative means of transport is taken up, whichever is the sooner, the mileage allowance will be withdrawn or the free bus pass will be withdrawn.
6. Children aged 11 to 16 who are eligible for Free School Meals or whose parents are in receipt of the maximum level of Working Tax Credit and want their child to be educated in accordance with their religion or belief and they attend the nearest suitable school preferred on grounds of religion or belief that is over 2 miles but no more than 15 miles

from their home. The 2-mile distance is measured by "walking route" and the 15-mile distance is measured by road route.

7. Children entitled to free transport who then move house during Year 11 and continue to attend their original school subject to the following limits:
 - Transport can be provided other than by taxi
 - The distance travelled is no more than 15 miles

Taxis will only be used in exceptional circumstances.

8. Children with a disability who do not have a Statement of Special Educational Need who by reason of their disability are unable to walk even relatively short distances to school and children with a mobility problem caused by a temporary medical condition, for example a broken leg. This assistance is subject to confirmation of the medical reasons for the provision by a GP or consultant.
9. Children with a Statement of Special Educational Needs where one of the following applies:
 - The school attended is the nearest suitable school or educational placement to their address that has an available place, if the distance from home to school is over the "statutory walking distance" of 3 miles if aged 8 or over or 2 miles if less than aged 8 and of school age.
 - (The school attended is the nearest suitable school or educational placement to their address that has an available place and the distance from home to school is less than the distances set out in h(i) but it would not be safe for a child accompanied by an adult to walk from the home to the school.

- The children concerned are unable to walk to school by reason of their special educational need or, if disabled, their disability or because of a temporary or long term medical condition. Evidence is required from a GP or consultant.

Details of free travel arrangements to residential special schools have not been included since this publication is concerned with admissions to mainstream schools.

Applications for Transport Assistance on Grounds of Religion and Belief

Decisions on applications for transport assistance on grounds of faith or belief will normally be taken by a panel of three. The chairman will normally be the Admissions and Transport Services Manager. In making decisions on assistance with transport the LA will respect parents' religious and philosophical convictions as to the education to be provided for their children in so far as this is compatible with the provision of efficient instruction and training and the avoidance of unreasonable public expenditure (as per para.134 of the Home to School Travel and Transport Guidance issued by the then DfES in 2007).

However, a parent will need to satisfy the LA of the genuine nature of the religious and/or philosophical belief and that the application is made in good faith. The burden of proof lies with the child's parent/parents.

Examples of acceptable evidence are:

- The provision of a baptismal certificate.
- A statement of atheism.
- A statement of adherence to a particular faith.

Travel

- A letter of support from a priest or rabbi stating that the child belongs to a particular congregation.

Normally two pieces of evidence will be required.

It is important to note that the LA will take into account the financial consequences of any applications for assistance and that setting up new coach services or taxi routes or specifically continuing them when they could be discontinued in order to accommodate new travellers would normally fall within the definition of "unreasonable public expenditure". However, where there are spare seats on already existing home to school transport routes, or scheduled public transport services, the LA will be able to consider applications for places under the concessionary travel arrangements.

The LA will not take into academic grounds for preferring a particular school when making a decision on whether to provide assisted transport on grounds of faith or belief.

16-19 Home to School/College Transport

Details can be found on the Oxfordshire public website.

The Concessionary Travel Scheme

Concessionary seats are spare seats on home to school transport routes. These are routes that are operated for the benefit of those who are entitled to free transport to and from school. The key points regarding this scheme are set out below:

- The Council cannot guarantee that a young person will keep the seat for longer than two terms
- Fare prices are reviewed annually
- The parent, or in the case of Years 12 and 13 must complete an application form for concessionary travel
- Parents are required to pay for two terms travel in advance
- The price charged covers a return journey for every school day of the relevant period
- There will be no rebates for those deciding to travel for less than the maximum number of possible journeys per term, for example there is no rebate if a young people decides to use his/her bus pass for morning travel and returns by some other private means in the afternoon
- If a seat is available a bus pass will only be issued on receipt of a completed application form, and correct payment
- No guarantee can be given that the bus will continue to run throughout a young person's time at a school, or that the place on the bus will not be withdrawn at some future date if the place is required for a young person who is entitled to free travel
- The concessionary charge will be waived for those eligible for Free School Meals or for those whose parents are in receipt of the maximum level of Working Tax Credit. In addition the cost of the concessionary charge will be waived for the third and subsequent children of families where they have more than two children using the same home to school transport service.
- When there are more requests to pay for seats on a particular route than there are seats available they will be allocated in the descending order of priority shown in the table "Priority for Concessionary Places".

Travel

Priority for Concessionary Places

Priority	Category
1	Those with a Statement of Special Educational Needs naming the school
2	Looked After Children
3	Years 12 and 13
4	Children in receipt of Free School Meals or whose parent/parents are in receipt of the maximum of Working Tax Credit
5	Those who travelled on the route the previous term
6	By year group, in ascending order of priority from Reception to Year 11
7	Those living closest using the shortest designated public route on the County Council's Geographic Information System

The current charges payable under the concessionary fares scheme are shown below. These charges are subject to annual review and the current prices may be increased for 2013/14.

Charges 2014/15

Please note the following charges are proposed and may be subject to change.

Reception to Year 11 Under 3 miles	=	£264.00 per annum (£88.00 per 2 terms of the 6 term year)
Reception to Year 11 Over 3 miles	=	£492.00 per annum (£164.00 per 2 terms of the 6 term year)
Post 16 Designated area school or college	=	£264.00 per annum (£88.00 per 2 terms of the 6 term year)
Post 16 Non designated area school or college	=	£492.00 per annum (£164.00 per 2 terms of the 6 term year)

Parents who would like to apply for a concessionary place on school transport should apply using the form "Application for Concessionary Travel on a School Bus". This form can be obtained from:

Transport Appeals

Parents can request an appeal to the Appeals Sub-Committee of the Democratic and Organisation Committee (DOC) regarding decisions taken by officers within the Admissions Team or the Integrated Transport Unit should they have cause for complaint or disagreement concerning the eligibility of their child for travel support.

The Clerk to the Appeals Sub-Committee will not be a member of the Admissions Team or the Integrated Transport Team.

The Appeals Sub-Committee hearings will be organised as soon as possible following the request from parents to lodge an appeal. The timing of the appeal will depend upon the availability of councillors.

A representative of the Admissions Team will present the LA's reasons for not providing transport and appellants can present a case in writing and /or in person (if the parent wishes, accompanied by a friend). The format of the appeal is set out below:

1. Presentation of the LA's case by the LA representative
2. Committee members and the parent are able to ask questions of the LA representative
3. Presentation of the parent's case
4. Summing up by the LA representative
5. Summing up of the parents case
6. Both the LA representative and the parent/parents friend leave the hearing together.
7. Consideration of the case by the Appeals Sub-Committee

8. The Appeals Sub-Committee makes a decision as to whether to uphold or refuse the appeal

The decision of the Appeals Sub-Committee will be considered binding by the LA and there is no further right of appeal.

The LA will not consider requests for a further transport appeal within the school year unless there has been a significant change of circumstance.

Miscellaneous

The Fair Access Protocol 2014/15

Introduction

1. The School Admissions Code requires every local authority to have in place a Fair Access Protocol.

The Fair Access Protocol for Oxfordshire applies to all state funded mainstream schools in Oxfordshire and is consistent with the requirements set out in paragraphs 3.9 to 3.23 of the Schools Admission Code 2012, the non-statutory guidance published by the Department of Education in November 2012, the Education (Pupil Registration) (England) Regulations 2006 and the School Standards and Framework Act 1998.

2. The purpose of this Fair Access Protocol is to ensure that outside the normal admissions round unplaced children, especially the most vulnerable, are found and offered a place quickly, so that the amount of time any child is out of school is kept to the minimum.

3. The published guidance from the Department of Education sets out a clear expectation from the Secretary of State that all schools (including academies) and local authorities should work together to identify a school place for those children who have had difficulty finding one. This guidance also states that all schools are expected to respond to requests by local authorities to admit a child under fair access protocols within seven calendar days.

4. The process that local authorities and academies need to follow when a request is made to the Secretary of State to direct an academy to admit a named child will mirror, as closely as possible, the timing set out in relation to maintained schools in the School Standards and Framework Act 1998 and the School Admissions Code.

5. When reviewing an academy direction case, the Education Funding Agency will act on behalf of the Secretary of State to consider whether due process has been followed in applying the provisions of the Fair Access Protocol.

Principles

6. The Fair Access Protocol is binding on all state funded mainstream schools in Oxfordshire.

7. The arrangements regarding the admission of students above the published admission number will not apply to Meadowbrook College, Oxfordshire's Pupil Referral Unit.

8. When making placements the Fair Access Panels will take into account any special circumstances, including possible transport costs.

9. There is no duty to comply with parental preference when allocating places through the Protocol but it is expected the wishes of the parents are taken into account.

10. When seeking to place a child under the Protocol, all schools will be treated in a fair, equitable and consistent manner.

11. The Fair Access Protocol will not be used as a means to circumvent the normal in-year admissions process. A parent can apply for a place as an in-year admission at any point and is entitled to an appeal if a place cannot be made available.

12. An application to direct from the Secretary of State will only be requested as a last resort.

13. While a child is on roll at a school the school concerned is responsible for the child's educational provision.

14. Any child without a school place is the responsibility of the Local Authority up until the point at which they are taken on roll at a school.

Miscellaneous

15. There will be an annual review of the Protocol (see Publication and Review).

16. The number of children admitted under the Protocol to each state funded school in Oxfordshire will be published on the Oxfordshire public website. This data will be updated at the beginning of each term.

17. The Fair Access Protocol is not applicable to admissions made through the normal admissions round for primary, junior or secondary schools and cannot be used where this would involve contravening the regulations on the size of infant classes.

18. The Fair Access Protocol will not be used to require a school to automatically admit another child with challenging behaviour in the place of a child excluded from that school.

Children covered by the Protocol

19. The Fair Access Protocol can be used for the placement of children who fall within the following categories:

- Children from the criminal justice system or Pupil Referral Units who need to be reintegrated into mainstream education.
- Children who have been out of education for two months or more.
- Children of Gypsies, Roma, Travellers, refugees and asylum seekers
- Children who are homeless.
- Children with unsupportive family backgrounds for whom a place has not been sought.
- Children who are carers.
- Children with special educational needs, disabilities or medical conditions (but without a statement).
- Permanently excluded children, including those whose parents have successfully appealed against exclusion, but where the independent appeal panel has decided that the pupil should not be reinstated.
- Children who are at serious risk of permanent exclusion.
- Those children whose parents have been unable to find them a place after moving to the area, because of a shortage of places.
- Those children who have been refused a place at a school because they are believed by the school concerned to be challenging.

Guidance on educational provision for children from overseas

Parents who have moved from overseas to reside in England with their children may express a preference for their children to attend a maintained school or academy under the normal admission arrangements regardless of their immigration status. This includes the children of asylum seekers; parents who have limited leave to enter or remain in the UK; and teachers coming to the UK with their children on a teacher exchange scheme.

British citizens and lone children with right of abode

There are no restrictions on entry to the UK for children (whether accompanied or unaccompanied by their parents) who hold full British citizen passports (but not British overseas territories or British Overseas passports) or children from countries whose passports have been endorsed to show that they have the right

Miscellaneous

of abode in this country. Such children will be permitted to enter this country irrespective of their purpose in doing so and are entitled to apply for a place at a maintained school or academy.

EEA nationals

The European Economic Area (EEA) was established on 1 January 1994 following an agreement between the member states of the European Free Trade Association (EFTA) and the European Community.

Under European Community law, and where the provisions of the Immigration (European Economic Area) Regulations 2006 are satisfied, nationals of the European Economic Area (which comprises the all member states of the European Union together with Switzerland, Iceland, Norway and Liechtenstein) and their children of any age, who come to the UK lawfully to work or for certain other economic purposes have a right to reside in the UK. They enjoy the same rights to education as British citizens. This applies equally to lone EEA national children who come to the UK as students, who are unaccompanied by their parents. Non-EEA children of EEA parents who are unaccompanied by their parents do not have this right.

Non-EEA nationals

Non-EEA children who apply on their own for leave to enter or remain in the UK to study will only be granted leave to enter or remain if they satisfy the following requirements of the Immigration Rules.

The Immigration Rules can be viewed on the UK Border Agency website at
<http://www.ukba.homeoffice.gov.uk/>

- For children coming to study for six months or less, (paragraph 46A -child visitor). A child must attend a school or private education institution that meets the requirements of paragraph 46A (vii). It must be outside the maintained sector, unless the child is coming for a short exchange or educational visit. In the latter instance the requirements of paragraph 46A (viii) must be met.
- For children coming to study for more than six months, (paragraph 245ZZ – child student). If the child is less than 16 years old, he or she must produce proof of acceptance for a course of study at an independent fee-paying school outside the maintained sector or a bona fide private educational institution.

If a child is found to be attending a maintained school other than for a short exchange or educational visit, they will infringe the conditions of their leave to enter and action could be taken against them by the United Kingdom Border Agency.

Other applicants

Holders of passports describing them as British overseas territories citizens (formerly known as British Dependent Territories citizens) or British Overseas citizens have no automatic right of abode in the UK, nor do other non-EEA nationals. They and their dependent children are in the same position as those described in the Non-EEA Nationals paragraph above. However, the majority of British overseas territories citizens also hold British citizenship.

On 21 May 2002, those who held British overseas territories citizenship became British citizens automatically by virtue of section 3(1) of the British Overseas Territories Act (BOTA) 2002

Miscellaneous

(unless citizenship was held only by a connection with the Sovereign Base Areas of Akrotiri and Dhekelia in Cyprus).

Those who acquired British citizenship under the BOTA 2002 are therefore eligible to apply for a British passport and have the right of abode in the UK under section 39 of the British Nationality Act (BNA) 1981.

Those who acquired British citizenship under the BOTA 2002 also maintain their status as a British Overseas Territories citizen (BOTC) and therefore are eligible to carry both categories of passport. However, a person is only entitled to hold one form of evidence of their right of abode in the UK i.e. either a British citizen passport or a certificate of entitlement in their BOTC passport.

It is important to understand the admission rules for a particular school in order to assess the likelihood of being able to obtain a place for your child. If you are unable to gain a place for your child at one of the schools listed on your child's CAF it will be because there were other children who more effectively met the school's admission rules.

Children with Statements of Special Educational Need

If your child has a Statement of Special Educational Need you are advised to raise the question of school placement at your child's annual review. In addition if you have any queries you should discuss these with the SEN Coordinator in your child's current school.

Please remember that you cannot apply for special schools or bases through the secondary transfer process.

Private Fostering

A privately fostered child is a child under 16 years old (or 18 years old if disabled) living away from his/her birth parents for longer than 28 days with a person who is not:

- A parent of the child
- Someone who has parental responsibility for the child
- A close relative of the child

The Children Act 1989 (Section 105) defines a relative as a grandparent, brother, sister, uncle or aunt (whether of the full blood or half blood or by affinity) or step parent (Section 10 (5) a) refers to a step parent being someone who is, or has been, a party to a marriage).

There is a legal requirement to notify the Local Authority of private fostering arrangements.

Please contact Oxfordshire's Private Fostering Worker at the following address if you need to report a private fostering arrangement:

Definition of a 'Baptised Catholic' for use in the Criteria for Admissions to Catholic Schools in the Archdiocese of Birmingham

To establish clarity, consistency and fairness in the application of Criteria of Admissions in Catholic Schools, in accordance with the Trust Deed of the Archdiocese of Birmingham, it is necessary to define the description of a 'Baptised Catholic' for the benefit of parents who are making applications and for Governors who formulate and apply the criteria for admissions.

A 'Baptised Catholic' is one who:

- Has been baptised into full communion (Cf. Catechism of the Catholic Church, 837) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome (i.e. Latin Rite, Byzantine Rite, Coptic, Syriac, etc., Cf. Catechism of the Catholic Church, 1203). Written evidence* of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. Code of Canon Law, 877 & 878).

Or

- Has been fully validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the Rite of Reception took place (Cf. Rite of Christian Initiation, 399).

Written evidence of Baptism

The Governing Body of St Gregory the Great Catholic School and the Blessed George Napier School will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of "Baptised Catholics". A Certificate of Baptism or Reception is to include: the full name, date of birth, date of baptism or reception, and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of baptism or reception.

Those who would have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to their parish priest who, after consulting the Vicar General, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of baptism due to persecution or fear, the destruction of the church and the original records, or where baptism was administered validly but not in the Parish church where records are kept.

Governors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)

Jargon Buster

Academy	A type of school funded directly by central government (through a Funding Agreement) independent of direct control by the Local Authority (LA) and sometimes supported by personal or corporate sponsors either financially or in kind. An Academy is self-governing, is a registered charity or part of one, and is responsible for employing the staff and determining school admissions applications.
Admission Authority (AA)	The authority responsible for determining an application. For Community schools and Voluntary Controlled Schools the AA is always the Local Authority (LA). For all other schools and academies the AA is the Governors, a sub-group of the Governors of a group appointed by the Governors. An admissions decision is never made by an individual.
Admission Number (AN)	Also known as the Published Admission Number (PAN) this is the number of places that must be offered if there are enough applicants.
Admissions Rules	The list of objective rules to decide which children are offered places. Admissions Rules are consulted on before the process starts.
Algorithm	A series of programmed instructions carried out by the RouteFinder software which calculates all available routes between the start and end points and outputs the shortest.
Appeals procedure	This is the process set up by the Admissions Authority (AA) to question and investigate why a place was not offered. Appeals are heard by an Independent Panel.
Appeals service	The part of the Local Authority responsible for organising appeal hearings. This service is separate from the Children, Education & Families Directorate of Oxfordshire County Council.
Application	Details of a child, their parent/carer, a list of up to three school preferences and supporting information.
Brother or sister	Another child of the same family living at the same home address. See page 18 for Oxfordshire County Council's policy.
Catchment Area	In Oxfordshire, these are called Designated (catchment) Areas.
Change of address	An address change which happens after the Closing Date but before 8 February 2014. See page 15 for Oxfordshire County Council's policy.
Change of preference	Addition of schools not requested on an earlier application or change of the order of schools listed on an earlier application.
Choice	In the context of school admissions, choice means the same as preference.
Closing date	This is the last date by when a completed application must be received in order for it to be considered as on time. The closing date for on time applications is 15 January 2014. Applications made after this date will be classed as late applications. Offers to late applicants will be made on 11 June 2014.
Common Application Form (CAF)	The name of the application form used within Oxfordshire to apply for up to three school places.

Jargon Buster

Community school	A type of state-funded school in which the Local Authority (LA) employs the school's staff, is responsible for school admissions and owns the school's estate.
Concessionary transport or travel	Sometimes vehicles we provide to take children who receive free transport to and from school may have spare seats. We can offer these spare seats to children who are not entitled to free transport for one term at a time (based on a three-term year). There is a charge for this. There is no entitlement to these spare seats and we cannot guarantee that a child can keep a seat beyond the agreed period. This is because we only provide vehicles for those entitled to free transport. See page 240 for Oxfordshire County Council's policy.
"Continued Interest" list (CIL)	A list of children (ordered according to the published admissions rules for the school, not in date order) who could not be offered a place at a school but whose parents want them to continue to be considered for a place should one become available in the future. See page 7 for Oxfordshire County Council's policy.
Criterion / Criteria	For admissions purposes a single admission rule is called a criterion (plural criteria).
Deadline	This is the same as Closing Date (see above).
Faith/Denominational School	Schools that have a connection with a particular faith. In Oxfordshire this currently means Catholic or Church of England schools.
Designated (catchment) Area	Most primary, infants and junior schools serve a specific geographic area (called a designated or catchment area). Children living in this area have a higher priority for a place at the school than others who do not live in this area if they list it as a preference. Admissions Authorities cannot guarantee that all children living in the designated (catchment) area for a school will be offered places if there are more applications for places on behalf of children living within the designated (catchment) area than are available. Visit www.oxfordshire.gov.uk and click on 'Where I live' at the top for a postcode searcher that provides details of services and designated (catchment) areas. Maps of designated (catchment) areas are also available to download from the website (see the information on individual schools shown in this booklet for a link). They can also be sent out by post on request. Contact 01865 815175 for more information.
Determined	The decision made by the Admission Authority for the school whether a place can be offered or not.
Digitised network	The geographic database of all possible, available, measurable routes. The digitised network is based on the Integrated Transport Network (ITN) produced by Ordnance Survey augmented to include additional non-driveable public routes.
Disability	The definition of a disability is taken from the Equality Act 2010.

Jargon Buster

Early Transfer	A process whereby a child who was born after 31 August 2006 and is in Year 2 in an infant school moves to primary or junior school in September 2013 early because it has been decided by educational professionals that their educational, social and emotional development will be best met in a Year 3 class. This happens very rarely. There is no early entry to Reception for children born after 31 August 2010 .
Easting / northing	A measurement in metres east or north of the south-west corner of the SV square of the Ordnance Survey mapping grid (this square is in the far south-west of the British Isles and includes the Scilly Isles). Oxfordshire County Council uses a six-digit integer and a single decimal place (accuracy to 10 centimetres).
Equal preference system	The Equal preference system was created to prevent Admission Authorities giving higher priority to children who make a particular school their first preference. It means that every school preference expressed is treated as if it is a unique application.
Feeder school	See Partner school (below).
Foundation school	A type of state-funded school in which a foundation (usually a non-religious organisation) runs the school, employs the school's staff, is responsible for school admissions and owns the school buildings.
Fraudulent Application	Where an applicant (parent or carer) intentionally and deliberately gives false information in order to try to secure a place at a particular school. Paragraph 2.12 of the School Admissions Code 2012 allows Admissions Authorities to withdraw a place offered if the place was offered because of a fraudulent application.
Free home to school transport	Also called statutory home to school transport. Some children receive free transport from home to school if they meet one of the rules set down in Oxfordshire County Council's Home to School Transport Policy. The Home to School Transport Policy is shown on page 236.
Free school	A type of school set up by parents, teachers, charities or businesses funded directly by central government (through a Funding Agreement) and independent of direct control by the Local Authority (LA). A Free school is self-governing and is responsible for employing the staff and determining school admissions applications.
Geographic Information System (GIS)	A system designed to capture, store, manipulate, analyse, manage and present all types of geographic data. The Admissions Team of Oxfordshire County Council uses MapInfo (supplied by Pitney Bowes) for its GIS needs.
"Greenwich Judgement"	A 1989 court decision which disallowed Local Authorities giving children living in the area of the Local Authority a higher priority than children living outside the area of the Local Authority.

Jargon Buster

Home Address	The address where the child lives for the majority of term-time weekday nights (Sunday night to Thursday night) at the time the application is made. See page 17 for Oxfordshire County Council's policy.
Independent school	Also known as private schools, public schools or fee-paying schools, they are a type of school funded by fees paid by parents/carers and income from investments. Applications for places at independent schools must be made direct to the school and not listed on the Common Application Form.
Infant Class-Size (Legislation)	In the 1998 School Standards & Framework Act the maximum number of children allowed to be taught by one qualified teacher in Reception, Year 1 or Year 2 classes was limited to 30. It is illegal for children of these ages to be taught in a class larger than 30 by only one teacher unless there is an exceptional (legal) circumstance.
Infant Class-Size Review	An appeal where the Admission Authority's case is that the admission of one more pupil would cause the class to be larger than the maximum allowed limit of 30 children per one qualified teacher either immediately or during the time those children are taught in Reception, Year 1 or Year 2. The powers of the Independent Panel are limited to that of a review of the Admission Authority's decision, and an appeal can only be allowed in exceptional circumstances.
Infant school	A school for children aged 5 to 7 (or 3 to 7 if the school has a nursery). Parents of children in Year 2 at an infant school need to apply to transfer their children to Year 3 at a junior or primary school. Infant schools are normally linked to a junior or primary school.
Integrated Transport Network (ITN)	A dataset produced by Ordnance Survey containing details of the transport network for Great Britain.
Junior school	A school for children aged 7 to 11 (Years 3 to 6). Parents of children in Year 6 at a junior school need to apply for their children to transfer to Year 7 at a secondary school.
Late application	An application received after the Closing Date is a late application and will not be considered until after offers have been made to on time applicants on 16 April 2014. Sometimes there are extenuating circumstances regarding why an application could not be made on time. See page 18 for Oxfordshire's policy on extenuating circumstances for late applications.
Late Transfer	A process whereby a child who was born before 1 September 2006 and attends an infant school moves to primary or junior school in September 2014 late because they have a Statement of Special Educational Need and cannot be taught alongside children of their age. This happens very rarely.
Local Authority (LA)	Oxfordshire County Council. For admissions purposes, the Local Authority is the School Admissions Team of the Children, Education & Families Directorate of Oxfordshire County Council.

Jargon Buster

"Looked After" children (LAC)	A child for whom Oxfordshire County Council or another Local Authority is the parent. A Social Worker acts on behalf of the Authority as the parent, and a child is placed in foster-care or in a home.
Multiple addresses	This is where a child spends time with different parents equally. See page ?? for Oxfordshire County Council's policy on multiple addresses.
Naming a school	In Part 4 of a child's Statement of Special Educational Need the Local Authority writes the name of the school where the child's needs must be met.
Nearest designated public route	See shortest designated public route.
"Nearest open gate"	The first gate arrived at from the direction of travel available for use by students for entry and exit to the school site at the start and end of the school day.
Non-faith school	A school that does not have a specific affiliation or emphasis regarding any religion or denomination.
Offer Day	The day on which letters are sent out to all applicants (whether they applied online or on paper) by second-class post. This is 16 April 2014. There will be a further late offer day on 11 June 2014 for late applications and changes of preference.
Office for Standards in Education (Ofsted)	A non-ministerial government department of Her Majesty's Chief Inspector of Schools. Ofsted is responsible for carrying out inspections of schools and other organisations that provide childcare. It inspects the quality of care and safety of children and published a report of its findings. For more information on the work it does, visit the website at www.ofsted.gov.uk
ONE database	Database created by Capita Children's Services (www.capita-cs.co.uk) used for admissions purposes by the School Admissions Team of Oxfordshire County Council to hold information about children and their school preferences.
Open event	A day or evening where the secondary school can be visited by prospective children and their parents/carers.
Ordnance Survey	The national mapping agency of Great Britain, an executive agency and non-ministerial government department of the UK Government.
Partner school	In Oxfordshire, all state schools are organised into partnerships where infant schools are linked to a primary or junior school. If a child attends an infant school but lives outside the designated (catchment) area the admissions rules for most junior schools give them a slightly higher priority for that school if it is listed as a preference. The Admissions Authority will not guarantee that a child considered under this rule will be offered a place.
Preference	The school or schools you would most like your child to attend. The Law states that an Admission Authority must comply with your preference unless to do so would conflict with the Admissions Policy or Rules if there are more applications than places available. The Law also states that the Local Authority must offer a place at the school listed highest on the application where it is possible to offer a place at more than one school.

Jargon Buster

Previously "Looked After" children	<p>A child who was looked after in the past but is no longer looked after because they were adopted (or became subject to a residence order or special guardianship order).</p> <ul style="list-style-type: none"> • Adoption - the Adoption and Children Act 2002 came in to force in December 2005 and as such only children who have left care subject to an adoption order since December 2005 qualify for priority as previously "looked after children" who left care through adoption. In addition, these Regulations only apply to England and Wales and so children who have left care through adoption under Scottish or Northern Ireland legislation are not included. • Special Guardianship Orders - Special Guardianship orders were a new order brought into force by the 2002 Act, which essentially amended the Children Act 1989, and therefore there should be no children with a Special Guardianship order prior to December 2005 when these orders came into existence. The relevant Regulations only apply to England and Wales and this means that children who may be subject to a Residence Order under Scottish or Northern Ireland legislation are not included. • Residence Orders - Residence Orders were introduced under the Children Act 1989 and as such, unlike children adopted or subject to a special guardianship order, children qualifying under this provision may have left care through a Residence Order before December 2005. The relevant Regulations only apply to England and Wales and this means that children who may be subject to a Residence Order under Scottish or Northern Ireland legislation are not included.
Primary school	A school with classes for children aged 5 to 11 (or 3 to 11 if the school has a nursery). Children in Year 6 at a primary school must apply to start Year 7 the following September at a secondary school.
Prospectus	Details a school publishes about itself.
Published Admission Number (PAN)	See Admission Number (AN).
Random Allocation	Where children are considered under the same criterion and have the same distance but are not of the same family and do not live at the same home address and there are not enough places to offer to all of them, one or more names will be selected by the drawing of lots by an officer of the Local Authority not employed as an officer of the Admissions Team.
"Rotherham Judgement"	A 1997 court decision which found that it was acceptable to have catchment areas but children living in the catchment area could only be given priority for a place at a school if they had asked for a place as one of their preferences. Children who live in the designated (catchment) area for a school but had not requested a place could not be given a higher priority than children who live outside the designated (catchment) area who had requested a place.

Jargon Buster

RouteFinder	GIS- based software produced by Higher Mapping Solutions (www.highermappingsolutions.com) which is designed to find the shortest measurement between two defined points using the digitised network.
School code number	Every state school has a seven digit number which identifies it. The first three digits are the number for the Local Authority where the school is situated (for example, Oxfordshire's number is 931) and the other four digits are a number unique to the school. Using the school's code number helps identify which school you mean when there are several schools with the same or similar names.
"seed point"	A geographically defined spatial point set by Royal Mail and/or district or city councils, and supplied to Ordnance Survey which then sells that data to other organisations (e.g. Oxfordshire County Council). The seed point used by the Admissions Team of Oxfordshire County Council is the "all numeric British Co-ordinate System" (easting and northing).
Shortest designated public route	The shortest route from the Home Address to the school measured using Oxfordshire County Council's computerised measuring system. See page 14 for more information on how the shortest designated route is measured.
Sibling	Another word for brother or sister (see above).
Special Educational Need (SEN)	If a child has difficulty with learning in school, then they have special educational needs. Firstly these are identified by a school and a child can be placed on School Action (SA). If the need is more severe then the child may be moved to School Action Plus (SA+). In certain special circumstances a very small number of children need a Statement of Special Educational Need (SEN).
Special School	A type of state-funded school set up to meet the needs of children with Statements of Special Educational Need.
Statement of Special Educational Need (SEN)	A special document written by an officer of the Local Authority where the child lives which lists the difficulties that a child has with learning at school, what measures will be taken by the school to deal with this and "names" the school(s) where this will happen. Only a very small number of children ever need a Statement of SEN.
Statutory home to school transport	See free home to school transport.
Tie-break	If children are considered under the same admissions criterion, but there are not enough places to offer to all of them, the distance from home to school is used as a "tie-break". If children have the same home to school distance but do not live at the same home address (not children of the same family) random allocation will be used.

Jargon Buster

Tracking (pupil tracking)	For school admissions purposes this is the responsibility placed on the Local Authority by central government to know and /or find out where or how a child is receiving an education suitable to their age, aptitude and ability. It is the responsibility of the Local Authority to ask a parent where they are sending their child to school or how they are ensuring their child receives an education if not attending school. It is the responsibility of parents/carers to inform the Local Authority (LA) where or how their child is, or will be, receiving an education.
Transport Appeal	If Oxfordshire County Council's Transport Rules mean that free home to school transport is not offered, a parent has a right to appeal against this decision.
Trust school	A type of state-funded school in which a trust (usually a non-religious organisation) runs the school, employs the school's staff, is responsible for school admissions and owns the school buildings.
Twins and Multiple Births	Children of the same family sharing the same parents and living at the same home address. If through the normal application of the admission rules one or more children from a multiple birth living at the same address can be offered a place/places but one or more of the children from the birth cannot additional places must be offered above the Admission Number (AN) to avoid the children having to attend different schools. This the case even if this would ordinarily create a class of more than 30 children per one qualified teacher (exceptional circumstance).
Voluntary Aided school	A type of state-funded school in which a foundation or trust (usually a religious organisation) has substantial influence in the running of the school, employs the school's staff, is responsible for school admissions and owns the school buildings.
Voluntary Controlled school	A type of state-funded school in which a foundation or trust (usually a Christian denomination) has some formal influence in the running of the school but where the Local Authority (LA) employs the school's staff, is responsible for school admissions and owns the school's estate.

Applying

How to apply using the Common Application Form (Caf)

These explanatory notes are provided to help you complete the form correctly.

If you live in England but not within Oxfordshire you must complete an application (on line or on paper) via your "home local authority". If you do not know which local authority is your "home authority" you can find out at the DirectGov website:
local.direct.gov.uk/LDGRedirect/Start.do?mode=1

Section 1: Child's Details

Names

The "Legal Surname" is the one on your child's **birth certificate, adoption certificate or change of name deed poll**. If your child uses a different surname on a day-to-day basis then you can enter that in the box marked "If your child is known by a different surname, please state here".

Fill in your child's first name, middle names (if any), gender and date of birth.

It is important that your address and postcode are correct because for many Oxfordshire schools the location of an address and the distance from that address to the school are important in determining whether a place can be offered.

Address

The address on the CAF should be the child's address at the time of application. Changes of address which occur after 15 January 2014 but before 10 February 2014 can be taken into account if proof of this change is provided (see below). To confirm your new address we need one of the following:

- **A solicitor's letter advising contracts have been exchanged** (if the property is being purchased); or
- **A copy of a tenancy agreement (if the property is to be rented)**. If this tenancy agreement comes to an end before September 2014 we may not accept the address for admissions purposes; or
- **A copy of your Council Tax Bill** showing the same name(s) as in Section 5 of the CAF.

We may also ask for proof from HM Revenue & Customs, Child Benefit Division or Tax Credits Division. Such correspondence must pre-date the application you have made.

It is essential that you notify the Admissions Team of any change to your address which occurs before places are offered on 16 April 2014. Where children spend time with parents at more than one address then the address given on the form should be the one that they live at (i.e. sleep at) for the majority of term-time school nights (Sunday night to Thursday night). If children spend time equally at different addresses then this should be declared in writing and signed by all parties with parental responsibility. We may ask for proof of the living arrangements (i.e. a court decision) and we may ask for confirmation of an address you have given.

Fraudulent Applications

If a place has been obtained on the basis of a fraudulent or intentionally misleading application (for example, a false claim to residence in a designated/ catchment area) **and this results in the denial of a place to a child with a stronger claim, the admission authority for the school may withdraw the offer of the place.** This follows the guidance in paragraphs

Applying

2.12 and 2.13 of the School Admissions Code (February 2012) published by the Department for Education:

"[2.12] An admission authority **must not** withdraw an offer of a place unless it has been offered in error, parents has not responded within a reasonable amount of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application. Where the parent has not responded to the offer, the admission authority **must** give the parent a further opportunity to respond and explain that the offer may be withdrawn if they do not. Where an offer is withdrawn on the basis of misleading information, the application **must** be considered afresh, and a right of appeal offered if an offer is refused.

[2.13] A school **must not** withdraw a place once a child has started at the school, except where that place was fraudulently obtained. In deciding whether to withdraw the place, the length of time that the child had been at the school **must** be taken into account. For example, it might be considered appropriate to withdraw the place if the child has been at the school for less than one term."

Checking Process

Each year four primary, infant or junior schools will be selected at random and, prior to places being offered on 16 April, all applicants who have requested a place at either school as their first preference will be required to provide proof of address.

Current school

Please enter the name of your child's current school.

Once you have done this move on to Section 2 – Your preferences.

Section 2: Your preferences

You can list up to three schools that you would like your child to attend.

The schools listed need to be state schools located in England (they do not have to be within Oxfordshire). Therefore do not list independent schools.

If you list a state school outside Oxfordshire then details of your application will be sent to the local authority coordinating admissions for that school. This will be done by secure electronic transfer after the closing date.

You should enter the name of the school that you most want your child to attend as your **First Preference**. Please **enter the school's code number** (if you know it) or **the school's postcode** (if you do not know the school's code number). **Do not list the same school more than once**. If a school is listed more than once it counts simply as one application and does not increase the chance of obtaining a place at that school.

If your child has an older brother or sister who will, in September 2014, still be attending one of the schools you have listed, please give the details of their name(s) and date(s) of birth in the space provided. A brother or sister is defined as a brother, sister, half-brother, half-sister, step-brother, step-sister, adopted brother or adopted sister living at the same address as the child whose details are shown in Section 1.

Applying

You also have a small space to summarise the reasons for your preference. If you need more space please use the larger space provided in Section 3.

When you have completed Section 2 please turn over and complete page 2 of the form.

Section 3: Extra Information

In the space above this section please enter your child's first name and surname. This will enable us to keep track of your form if it is on two sheets of paper.

Firstly answer the four questions in this section:

Does your child have a Statement of Special Educational Need?

A very small number of children in Oxfordshire have a Statement of Special Educational Need. This is a special document written by the local authority detailing the difficulties that a child has in learning at school, and the measures which the school will take to help them. If you do not know if your child has a Statement of Special Educational Need, you should leave this question blank.

Is your child 'looked after' or previously 'looked after' by a Local Authority?

Some children are cared for by a Local Authority, and a Social Worker will act as parent for the child. If your child is 'looked after' please answer 'yes' to this question and tell us the name of your child's Social Worker and/or the local authority that looks after your child. **If you are the foster-parent of the child in Section 1 you must tell us the name of the child's Social Worker.** It would be helpful if the Social Worker were to

write a letter to say that they support the application you are making, and the letter can be attached to this CAF.

The term "**previously looked after**" refers to children who have been looked after in the past but who are no longer looked after but have been adopted or who are now subject to a residence order or special guardianship order. **If your child falls within this group you need to answer "yes" to this question and provide evidence of the adoption, residence order or special guardianship order.**

Does your child have a disability as defined in the Equality Act (2010)?

The Act is available online at:
www.legislation.gov.uk/ukpga/2010/15/contents

If you believe that your child has a disability as defined in this Act then you should answer 'yes' to this question and give details of the disability in the space provided. You can also use the extra space available at the bottom of Section 3 if you need to tell us more about your child's disability. This information will only affect your child's priority for a school place if your child's disability affects your child's access to school and you are applying for a school that gives a degree of priority to children who fall within this category. Evidence of a child's disability must be submitted in writing by a medical professional before a child can or will be considered disabled by the AA for admissions purposes.

The AA will not consider a child to be disabled until this evidence is received and approved.

Applying

Are you moving as a new posting as Service or Crown Servant Personnel?

When families of service personnel with a confirmed posting to Oxfordshire, or crown servants returning from overseas to live in Oxfordshire, do not have a relevant address in the area, Admission Authorities will accept an official letter that declares a relocation date and a Unit postal address or quartering area address as proof of residence. If your child falls within this category please answer 'yes' to this question and provide proof of the posting at the earliest opportunity, preferably at the time the application is submitted.

Other information

You can use the space in the last box in this section to tell us anything else you think we should know to support your application, or because there is not enough space in one of the other boxes on the form. Any information you bring to our attention will be noted. If it is relevant to a preference you have made for a school where the Governors decide to whom places are to be offered (see information in Section 4 below), we will forward this information to that school. Information is relevant if it affects any of the admissions criteria under which your child could be considered for a place. Please look at the admissions rules for the schools you list on this form if you need to know how applications will be considered and how places will be offered.

Section 4: Specific information for OAA("Own Admissions Authority")schools [optional]

An OAA school ("Own Admissions Authority") is one in which the school's Governors, or a sub-

group of the Governors, or a group appointed by the Governors will decide to whom places should be offered. An admissions decision is never made by one person alone. Community and Voluntary Controlled schools are not OAA schools. All other state funded schools are OAA schools. Therefore church (Voluntary Aided) schools (for example Catholic schools and a small number of Church of England schools), Free Schools, Trust schools, Foundation schools, Studio schools, Academies and City Academies are all OAA schools. You only need to complete this section if you have listed one or more of these schools as a preference in Section 2.

The Governors of OAA schools may find the information in this section useful in deciding to whom places should be offered at their school. The admissions rules for all OAA schools are shown on the Oxfordshire public website at www.oxfordshire.gov.uk/admissions, on each school's website and in the "Starting School" booklet.

There is a space for you to write your child's faith or denomination and when and where they were baptised (if applicable). Information about your or your child's religious affiliation is defined by the Data Protection Act 1998 as "sensitive personal data". You must give explicit consent for Oxfordshire County Council to collect this information and process it for the purposes of an application for a school place. See notes on Section 6 (below) for further information about the Data Protection Act 1998 and the collection of personal data and sensitive personal data.

Some schools require proof that your child has been baptised. If you are sending a baptismal certificate with this CAF then please read the text

Applying

in this section and tick the box. If you are sending an original baptismal certificate and want it back, you must tell us this. **If you attach a certificate and do not tell us that you want it back we will not return it.**

Some OAA schools have a supplementary form. If applying for a school that has such a form you are advised (but not required) to complete and return it. **However, if you complete and return a supplementary form but do not complete and return a CAF (or apply online) your application will not be valid.** If you complete a CAF (or apply online) but do not complete a supplementary form your application will be valid but it may affect how your child's preference for the school is considered. If you are not sure if you need to fill in a supplementary form then you should contact the school concerned. **If you attach a supplementary form to the CAF, please read the text carefully and tick the box.**

Section 5: Your details

Please complete this section with the details of **all** of the parent(s)/carer(s) living at the address shown in Section 1 who have parental responsibility for the child named in Section 1. If you tell us the name(s) of more than one adult with parental responsibility living at the address in Section 1, we will choose one of those adults to enter onto our computer system. We will usually choose the person listed as mother of the child whose details are in Section 1. This is the person to whom the offer letter will be addressed. The letter will not be addressed to more than one person.

Section 6: Declaration

Please read the Terms & Conditions carefully, tick the box, then sign and date the form.

By ticking the box and signing the form you have given your explicit consent to Oxfordshire County Council to collect personal data and sensitive personal data on you and your child for the processing of your application for a school place. You have also given your explicit consent to Oxfordshire County Council to disclose your personal data and your sensitive personal data to other agencies and admissions authorities (third parties) for the purposes of processing your application for a school place. The information you tell us on this form will never be shared with an individual or agency that is not entitled to see or know the information.

By ticking the box and signing the form, you have also confirmed that the information you have provided is accurate to the best of your knowledge. Oxfordshire County Council will store your personal data and sensitive personal data securely.

The above is in accordance with schedules 2 and 3 of the Data Protection Act 1998.

A full copy of the Data Protection Act 1998 can be found at:

www.legislation.gov.uk/ukpga/1998/29/contents

Submitting the application

CAF (Primary)/CAF (Junior)

If you decide to apply on paper, rather than on line, for a place for your child in Reception at a primary or infants' school return the CAF by post, or in person, to:

The Admissions Team
Children, Education & Families Directorate
Oxfordshire County Council
County Hall
New Road
Oxford, OX1 1ND

To be considered on time the CAF **must** be received by the Admissions Team by 5pm **on 15 January 2014**.

After this date applications are considered to be late and you are less likely to receive a place for your child at one of your preferred schools.
