

## **Remote Learning provision for Term 1**

All assignments and activities will be posted on Teams except for Minnows and Tiddlers which will be via Tapestry. The children will receive invites to Teams meetings at the appropriate times to access the live sessions.

### **EYFS (Tiddlers and Minnows)**

- **Daily story time (1.30pm)** Each afternoon we will meet for another live session when the class teacher will read a story.
- **Daily phonics activity** This will include a link to a Read, Write Inc video
- **Focused daily activity (10 am)** This session will include a live input from the class teacher. Any resources needed to complete the follow up activity will be sent via Tapestry.
- **Activities set via Tapestry** These could be on area of the EYFS curriculum.
- Additional time can be spent completing the project activities linked to termly topics. The children in school will complete the same activities.

### **KS1 (Sticklebacks)**

- **Daily phonics activity** This will include a link to a Read, Write Inc video.
- **Maths** This will include a link to a White Rose Video which the children need to watch and complete the activities included. There will then be a worksheet to be completed which you will need to mark at home and sent back in so that the teacher can give feedback. There may be additional problem solving activities as well.
- **English (Sticklebacks - 11 am)** This session will include a live introduction and input from the class teacher to explain the task and the follow up work and resources will be posted on teams. Children will receive an invite to a Teams meeting to take part in this live session.
- **Other curriculum subjects** The instructions and resources will vary dependent on the subject but may include power point slides to watch, a video and other resources to help the children complete the task.
- **Maths shed/TT rockstars** activities will be assigned weekly for the children to work on the key skills that we had been focusing on in our catch up sessions.
- **Daily story time (Sticklebacks – 2.45 pm)** Every afternoon we will finish with another live session when the class teacher will read the class book.
- Additional time can be spent completing the project activities linked to termly topics. The children in school will complete the same activities.

### **KS2 (Seahorses, Stingrays and Sharks)**

- **Maths** This will include a link to a White Rose Video which the children need to watch and complete the activities included. There will then be a worksheet to be completed, marked and sent back in. There may be additional problem solving activities as well.
- **English (Sharks and Stingrays – 9.15 am, Seahorses - 11 am)** This session will include a live introduction and input from the class teacher to explain the task and the follow up work and resources will be posted on teams. Children will receive an invite to a Teams meeting to take part in this live session.
- **Other curriculum subjects** The instructions and resources will vary dependent on the subject but may include power point slides to watch, a video and other resources to help the children complete the task.

- **Maths shed/TT rockstars** activities will be assigned weekly for the children to work on the key skills that we had been focusing on in our catch up sessions.
- **Spelling Shed activities** will be assigned weekly for the children to work on the key skills that we had been focusing on in our catch up sessions.
- **Daily story time (Seahorses – 2.45pm, Sharks and Stingrays – 3pm)** Every afternoon we will finish with another live session when the class teacher will read the class book.
- Additional time can be spent completing the project activities linked to termly topics. The children in school will complete the same activities.

### Worship

- Mr Hart will continue with Monday worship for children in school. This will be recorded and the link shared with children at home
- Each class to have 'celebration'/ sharing worship at the end of the week with their class teacher(s)
