Autumn Term 1

Friday 6<sup>th</sup> September

Dear Parents and Carers,

A warm welcome back to the new school year! I hope you all had a restful summer and it has been lovely to see you all again on the gate in the morning. We have lots of new families, so if you ever want to stop and introduce yourself or ask any questions, Mrs Ejiogu or I will be there to say hi.

The children have had a really positive first week back and have settled in quickly. We can see lots of hunger for learning, with children picking up right where they left off in July.

There are a number of new things that we are rolling out this year which I briefly wanted to draw to your attention. On Tuesday I did an assembly introducing 'Stop it, I don't like it' We have listened to parent feedback through the year and a common theme was how we can improve the children's personal power – i.e. for the children to have the confidence to say what they like/don't like. Also we are using the acronym THINK to help children think before they speak.

Curriculum wise, we are having a big push on reading this year. Later in the term you will hear about our 'Dive into Reading' initiative where children will be rewarded for reading at home. Along with the intrinsic benefits of reading for pleasure, they will also be able to see their individual fish dive deeper on the display board in the hall. Mandarin lessons will continue for Sharks class this year, and we will be kicking off the term with our first guest for People Who Inspire Us next week. This is just a flavour of what we will be doing and we will share more with you very soon.

Your child's education is everything to us and the whole team are very much looking forward to sharing the journey with you!

With warmest wishes,

Jon Jeffries, Executive Headteacher

Jo Ejiogu, Assistant Headteacher and SENDCo

## General information.

### ASC Collection and reverse parking in the staff car park.

After a health and safety review before the summer holidays we are now asking all staff and parents who use the staff carpark to reverse into the parking spaces please.

The speed limit for the school drive and car park is 5 mph

## **NO NUT SCHOOL**

As per the email sent earlier in the week. Can we remind you that Fritwell is a NO NUT School and we do have children who attend with nut allergies.

Please be mindful of what is coming to school in lunchboxes.

## Volunteer readers

Can you volunteer, or do you know a relative or grandparent who can donate some time to hear a child read?

A small commitment of 1-2 hrs a week can make a huge difference in a child's learning journey and expand their reading experience.

## Forest School

Forest school will be offered to all children, one class per term.

This term is **Seahorses on Tuesday mornings.**

The children will need Wellies and old clothes that cover their arms and legs. A waterproof coat is also advisable.

EYFS do forest school throughout the year and have been sent instructions via tapestry.

# Friends of Fritwell School

As you know we have been advertising for a new chair and vice chair of FoFs along with a new treasurer and general Fofs committee members.

Until these positions have been filled we would like to propose that events run over the course of the year are each run by a different person, so that the task isn't quite so big.

The Fireworks event has already been booked by the previous committee and we would like to move forward and run this event as it is a firm favorite.

I have agreed to look after this one and would love some help as it is only 8 weeks away!

Please come and see me in the office or drop me an email if you can help organize or can volunteer to help on the night.

The other events we need to cover are as follows:

Autumn Disco – November/December???

Secret present room – December

Quiz/ Bingo Night – Early Feb

Spring Disco – Feb !/2 term

Easter egg hunt – Early April

Summer party event June/July

It would be brilliant to see a few more people getting involved and hopefully the pressure will be relieved with only 1 event each to run.

Please let me know if you can help as Fofs is a very important part of the school and the fund raising involved helps every single child in school with resources and school trips etc.

Thank you in advance  
Cary

# Back to school uniform panic?

FOFS stocks plenty of 2nd hand uniform, both logo and non-logo items. So whether it's a sudden growth spurt or misplaced bits, we can help!
